JUSTIFICATION SHEET

DEPARTMENT: Attorney General

TITLE: A BILL FOR AN ACT MAKING AN EMERGENCY APPROPRIATION FOR THE DEPARTMENT OF THE ATTORNEY GENERAL.

PURPOSE: To appropriate funds for expert witnesses and legal representation of the State of Hawaii in major litigation.

MEANS: Appropriation of general funds.

JUSTIFICATION: There are several major lawsuits that will require the retention of expert witnesses and specialized legal counsel. These major lawsuits include cases such as *James Dannenberg et al v. SOH*, *Kalima v. SOH*, *Democratic Party of Hawaii v. Nago*, and an impending lawsuit by the State against Matson for damages caused by the molasses spill in Honolulu Harbor.

The general fund appropriation included in this measure has been made in accordance with the statutorily defined appropriation ceiling for the Executive Branch pursuant to section 37-92, Hawaii Revised Statutes. Including appropriations made up to and including the regular and special sessions of 2013, the Executive Branch appropriation ceiling for fiscal year 2013-2014 has already been exceeded by \$385,205,549 or 6.5 percent. Funding requested in this measure for the Department of the Attorney General for purposes of major litigation involving the State will result in the appropriation ceiling for the Executive Branch to now be exceeded in fiscal year 2013-2014 by an additional \$1,000,000 or .017 percent. This current declaration takes into account additional general fund appropriations authorized for fiscal year 2013-2014 in this

measure only, and does not include other general fund appropriations for fiscal year 2013-2014 that may be authorized for the Executive Branch in other legislation submitted to the Legislature during the regular session of 2014.

Impact on the public: Major cases against the State such as the above-referenced cases could result in costly judgments against the State if not defended vigorously. For the impending lawsuit to be brought by the State, the damages to the coral reef from the molasses spill are estimated to far outweigh damages caused by a Navy vessel in a prior case that resulted in a settlement to the State of \$7,500,000.

Impact on the department and other agencies: Funding for expert witnesses and specialized legal counsel will allow the affected state agencies to mount an effective defense in the lawsuits against the State, and may result in an increase in the settlement to the State in the Matson case.

GENERAL FUND: \$1,000,000.

OTHER FUNDS: None.

PPBS PROGRAM DESIGNATION: ATG 100

OTHER AFFECTED AGENCIES: Department of Land and Natural Resources, State Elections Commission, and Department of Health.

EFFECTIVE DATE: Upon approval.
