A BILL FOR AN ACT

RELATING TO STATE FINANCES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

PART I.

SECTION 1. The purpose of this Act is to address state finances.

More specifically, this Act repeals or reduces certain specific appropriations that were made in acts passed during the regular session of 2013 and that the respective designated expending agencies are not planning to expend in fiscal year 2013-2014.

The legislature finds that this Act enables the savings to be expressly identified as part of the carryover balance for fiscal year 2014-2015 in the state financial plan. The legislature finds that this approach is more efficient than simply allowing the unexpended and unencumbered amounts to lapse. Because lapsed appropriations do not become known until after the fiscal year ends, the legislature is unable to consider lapsed appropriations when making budgetary decisions during the regular session immediately preceding the lapse date.
The legislature emphasizes that the repeal or reduction of
the appropriations in this Act does not represent
discontinuation of support for the de-funded programs. The
intent of this Act is to increase the general fund carryover
balance.

This Act also authorizes the transfer of excess funds from
the medicaid investigations recovery fund to the general fund.
The legislature finds that the excess funds are not needed for
the requirements of the fund.

PART II.

SECTION 2. The purpose of this part is to repeal the
appropriation in Act 222, Session Laws of Hawaii 2013, for the
shallow subsidy program for fiscal year 2013-2014.

The legislature finds that the department of human services
does not plan to expend the appropriation.

SECTION 3. Act 222, Session Laws of Hawaii 2013, is
amended by repealing section 4.

"SECTION 4. There is appropriated out of the general
revenues of the State of Hawaii the sum of $1,000,000 or so much
thereof as may be necessary for fiscal year 2013-2014 for a
rental assistance program, also known as a shallow subsidy
program, for homeless working individuals and their families who
are ready to rent permanent housing to obtain and maintain permanent housing, provided that:

(1) The maximum subsidy shall be $300 per month; provided that in order to qualify for the subsidy, a household shall pay a minimum of forty percent of their adjusted gross income for rent, and

(2) A household’s adjusted gross income shall be calculated in the same manner as calculated by the Hawaii public housing authority to qualify for public housing under the authority’s control.

The sums appropriated for program and administrative costs associated with establishing and operating the shallow subsidy program shall be expended by the department of human services through a contract issued pursuant to chapter 103F, Hawaii Revised Statutes, and sums appropriated for staff within the homeless program office to administer the program shall be expended by the department of human services for the purposes of this part.”

PART III.

homelessness prevention and rapid re-housing program for fiscal year 2013-2014.

The legislature finds that the department of human services does not plan to expend the appropriation.

"SECTION 9. There is appropriated out of the general revenues of the State of Hawaii the sum of $150,000 or so much thereof as may be necessary for fiscal year 2013-2014 for the homelessness prevention and rapid re-housing program.

The sums appropriated shall be expended by the department of human services for the purposes of this part."

PART IV.

SECTION 6. The purpose of this part is to reduce the appropriation in Act 222, Session Laws of Hawaii 2013, for innovative temporary housing solutions for fiscal year 2013-2014.

The legislature finds that the department of human services does not plan to expend the entire appropriation.

SECTION 7. Act 222, Session Laws of Hawaii 2013, is amended by amending section 17 to read as follows:
"SECTION 17. There is appropriated out of the general revenues of the State of Hawaii the sum of [$100,000] $50,000 or so much thereof as may be necessary for fiscal year 2013-2014 for the construction and demonstration of innovative temporary housing solutions as they relate to the working group's findings and recommendations.

The sum appropriated shall be expended by the department of human services for the purposes of this Act."

PART V.

SECTION 8. The purpose of this part is to repeal the appropriation in Act 268, Session Laws of Hawaii 2013, for the Hawaii employer-union health benefits trust fund task force for fiscal year 2013-2014.

The legislature finds that the department of budget and finance does not plan to expend the appropriation.
