
A BILL FOR AN ACT

RELATING TO RESIDENTIAL PROPERTY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. According to the United States Census Bureau
2 and the department of business, economic development, and
3 tourism, nearly forty per cent of the existing private
4 residences on Oahu were built before 1970. In certain census
5 tracts, this number is as high as eighty-five per cent.

6 Hawaii law provides that any building, structure, object,
7 district, area, or site over fifty years old is considered
8 historic property. Furthermore, current application of historic
9 preservation law requires review by the state historic
10 preservation division of the department of land and natural
11 resources prior to the granting of permits for proposed projects
12 on historic properties. In certain instances, this requirement
13 has delayed the granting of permits for a period of many months,
14 which has had an adverse effect on the construction industry.

15 Since nearly forty per cent of private residences on Oahu have
16 reached or are approaching fifty years of age, it is prudent for

1 the State to re-examine the current processes and procedures
2 regarding historic properties.

3 The purpose of this Act is to:

4 (1) Exempt from the definition of "historic property" any
5 private residence that has not been entered, or
6 nominated by the owner of the residence for entry,
7 onto the Hawaii register of historic places; and

8 (2) Clarify that nothing in chapter 6E, Hawaii Revised
9 Statutes, is to be construed to require a review by
10 the department of land and natural resources for a
11 private residence that has not been entered, or
12 nominated by the owner of the residence for entry,
13 onto the Hawaii register of historic places.

14 SECTION 2. Section 6E-2, Hawaii Revised Statutes, is
15 amended by amending the definition of "historic property" to
16 read as follows:

17 "Historic property" means any building, structure, object,
18 district, area, or site, including heiau and underwater site,
19 [which] that is over fifty years old[-]; provided that historic
20 property shall not include any private residence that has not

1 been entered, or nominated by the owner of the residence for
2 entry, onto the Hawaii register of historic places."

3 SECTION 3. Section 6E-10, Hawaii Revised Statutes, is
4 amended to read as follows:

5 "**S6E-10 Privately owned historic property.** (a) Before
6 any construction, alteration, disposition or improvement of any
7 nature, by, for, or permitted by a private landowner may be
8 commenced [~~which~~] that will affect an historic property on the
9 Hawaii register of historic places, the landowner shall notify
10 the department of the construction, alteration, disposition, or
11 improvement of any nature and allow the department opportunity
12 for review of the effect of the proposed construction,
13 alteration, disposition, or improvement of any nature on the
14 historic property. The proposed construction, alteration,
15 disposition, or improvement of any nature shall not be
16 commenced, or in the event it has already begun, continue, until
17 the department shall have given its concurrence or ninety days
18 have elapsed. Within ninety days after notification, the
19 department shall:

20 (1) Commence condemnation proceedings for the purchase of
21 the historic property if the department and property

1 owner do not agree upon an appropriate course of
2 action;

3 (2) Permit the owner to proceed with the owner's
4 construction, alteration, or improvement; or

5 (3) In coordination with the owner, undertake or permit
6 the investigation, recording, preservation, and
7 salvage of any historical information deemed necessary
8 to preserve Hawaiian history, by any qualified agency
9 for this purpose.

10 (b) Nothing in this section shall be construed to prevent
11 the ordinary maintenance or repair of any feature in or on an
12 historic property that does not involve a change in design,
13 material, or outer appearance or change in those characteristics
14 [~~which~~] that qualified the historic property for entry onto the
15 Hawaii register of historic places.

16 (c) Any person, natural or corporate, who violates the
17 provisions of this section shall be fined not more than \$1,000,
18 and each day of continued violation shall constitute a distinct
19 and separate offense under this section for which the offender
20 may be punished.

1 (d) If funds for the acquisition of needed property are
2 not available, the governor may, upon the recommendation of the
3 department, allocate from the contingency fund an amount
4 sufficient to acquire an option on the property or for the
5 immediate acquisition, preservation, restoration, or operation
6 of the property.

7 (e) The department may enter, solely in performance of its
8 official duties and only at reasonable times, upon private lands
9 for examination or survey thereof. Whenever any member of the
10 department duly authorized to conduct investigations and surveys
11 of an historic or cultural nature determines that entry onto
12 private lands for examination or survey of historic or cultural
13 finding is required, the department shall give written notice of
14 the finding to the owner or occupant of [~~such~~] the property at
15 least five days prior to entry. If entry is refused, the member
16 may make a complaint to the district court in the circuit in
17 which [~~such~~] the land is located. The district court may
18 thereupon issue a warrant, directed to any police officer of the
19 circuit, commanding the officer to take sufficient aid, and,
20 being accompanied by a member of the department, between the
