
A BILL FOR AN ACT

RELATING TO WORKERS' COMPENSATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Section 386-79, Hawaii Revised Statutes, is
2 amended to read as follows:

3 ~~"§386-79 [Medical examination by employer's physician.]~~

4 Requested mutual examination. ~~[After an injury and during the~~
5 ~~period of disability, the employee, whenever ordered by the~~
6 ~~director of labor and industrial relations, shall submit to~~
7 ~~examination, at reasonable times and places, by a duly qualified~~
8 ~~physician or surgeon designated and paid by the employer. The~~
9 ~~employee shall have the right to have a physician or surgeon~~
10 ~~designated and paid by the employee present at the examination,~~
11 ~~which right, however, shall not be construed to deny to the~~
12 ~~employer's physician the right to visit the injured employee at~~
13 ~~all reasonable times and under all reasonable conditions during~~
14 ~~total disability.~~

15 ~~If an employee refuses to submit to, or in any way~~
16 ~~obstructs such examination, the employee's right to claim~~
17 ~~compensation for the work injury shall be suspended until the~~

1 ~~refusal or obstruction ceases and no compensation shall be~~
2 ~~payable for the period during which the refusal or obstruction~~
3 ~~continues.~~

4 ~~In cases where the employer is dissatisfied with the~~
5 ~~progress of the case or where major and elective surgery, or~~
6 ~~either, is contemplated, the employer may appoint a physician or~~
7 ~~surgeon of the employer's choice who shall examine the injured~~
8 ~~employee and make a report to the employer. If the employer~~
9 ~~remains dissatisfied, this report may be forwarded to the~~
10 ~~director.~~

11 ~~Employer requested examinations under this section shall~~
12 ~~not exceed more than one per case unless good and valid reasons~~
13 ~~exist with regard to the medical progress of the employee's~~
14 ~~treatment. The cost of conducting the ordered medical~~
15 ~~examination shall be limited to the complex consultation charges~~
16 ~~governed by the medical fee schedule established pursuant to~~
17 ~~section 386-21(e).]~~

18 (a) Following an injury and after a claim is filed by the
19 injured employee, the employer may appoint a qualified physician
20 mutually agreed upon by the parties and paid for by the
21 employer, to conduct an independent medical examination or a

1 permanent impairment rating examination of the injured employee
2 and make a report to the employer.

3 (b) The cover letter to the physician selected to perform
4 an examination under this section shall notify the physician
5 that the physician has been mutually selected by the parties to
6 conduct an independent examination. The cover letter shall be
7 transmitted to the injured employee at least five working days
8 prior to the appointment. Upon the issuance of the report of
9 the independent medical examination or permanent impairment
10 rating examination, the employee or employee's representative
11 shall be promptly provided with a copy thereof.

12 (c) A physician selected pursuant to this section to
13 perform an independent medical examination or a permanent
14 impairment rating examination shall be willing to undertake the
15 examination and be paid by the employer. The selected physician
16 shall be currently licensed to practice in Hawaii pursuant to
17 chapter 442 or 453; except that upon approval by the director, a
18 physician in a specialty area who resides outside of the State
19 and is licensed in another state as a physician with
20 requirements equivalent to a physician's license under chapter
21 442 or 453, may be selected if no physician licensed by the

1 State in that specialty area is available to conduct the
2 examination.

3 If the employee does not reside in Hawaii, a physician who
4 is licensed in and who resides in the state of the employee's
5 residence may be selected if that state's physician licensing
6 requirements are equivalent to a physician's license under
7 chapter 442 or 453.

8 If the parties are unable to reach a mutual agreement on
9 the selection of a physician to conduct the independent medical
10 examination or permanent impairment rating examination, then the
11 selection may be submitted to the insurance commissioner,
12 arbitration, or circuit court.

13 Any physician mutually selected or otherwise appointed to
14 do an independent medical examination or permanent impairment
15 rating examination pursuant to this section shall examine the
16 employee within forty-five days of receiving notice of the
17 selection or appointment, or otherwise, as soon as possible.

18 (d) In no event shall an independent medical examination
19 and a permanent impairment rating examination be combined into a
20 single medical examination unless the employee consents in
21 writing to the single examination by the selected physician.

1 In no event shall the director, appellate board, or a
2 court, order more than one requested independent medical
3 examination and one permanent impairment rating examination per
4 case, unless valid reason exists with regard to the medical
5 progress of the employee's medical treatment or when major
6 surgery or elective surgery is contemplated. In the event of
7 multiple examinations, the process of mutually selecting or
8 otherwise appointing a physician set forth in this section shall
9 apply.

10 (e) If an employee refuses to submit to, or unreasonably
11 interferes with the examination, the employee's right to claim
12 compensation for the work injury shall be suspended until the
13 refusal or interference ceases. No compensation shall be
14 payable to the employee for the period of suspension.

15 The cost of conducting the ordered independent medical
16 examination or permanent impairment rating examination shall be
17 limited to the complex consultation charges governed by the
18 medical fee schedule established pursuant to section 386-21(c).

19 (f) When an employee has attained medical stability as
20 determined by the employee's attending physician, a physician
21 may be appointed to conduct a permanent impairment rating

1 examination. The physician shall be mutually selected by the
2 parties or otherwise appointed pursuant to this section.

3 For the purposes of this subsection, "medical stability"
4 means that no further improvement in the injured employee's
5 work-related condition can reasonably be expected from curative
6 health care or the passage of time. Medical stability is also
7 deemed to have occurred when the injured employee refuses to
8 undergo further diagnostic tests or treatment that the health
9 care provider believes will greatly aid in the employee's
10 recovery."

11 SECTION 2. This Act does not affect rights and duties that
12 matured, penalties that were incurred, and proceedings that were
13 begun before its effective date.

14 SECTION 3. Statutory material to be repealed is bracketed
15 and stricken. New statutory material is underscored.

16 SECTION 4. This Act shall take effect on July 1, 2115.
