A BILL FOR AN ACT

RELATING TO A SMALL BOAT HARBOR IN PUKO'O, MOLOKA'I.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the island of
2 Moloka'i needs a new small boat harbor to service the residents,
3 particularly those living on the populated east end of Moloka'i.
4 Due to shallow mud flats and fringing reefs, there are few areas
5 with sufficiently deep channels for safe and easy marine access.
6 During low tide, it is impossible to launch or dock boats along
7 the east end. Currently, boaters on the east end of Moloka'i
8 must travel to Kaunakakai harbor, a trip that takes a
9 substantial amount of time and expends a great amount of fuel.

10 The legislature further finds that most families on the
11 east end of Moloka'i rely on the sea for their daily source of
12 food. Today, with fewer edible food resources close to shore,
13 fishermen are forced to travel farther out to sea to catch fish.
14 Furthermore, nearly all of the available commodities and
15 merchandise for retail on the island are shipped to Moloka'i,

1 which increases those costs for residents of Moloka'i and forces
2 them to fish as a necessity to supplement their diet.

3 The purpose of this Act is to authorize the issuance of
4 general obligation bonds for a capital improvement project to
5 design and construct a new small boat harbor in Puko'o, Moloka'i.

6 SECTION 2. The director of finance is authorized to issue
7 general obligation bonds in the sum of \$ or so much
8 thereof as may be necessary and the same sum or so much thereof
9 as may be necessary is appropriated for fiscal year 2015-2016
10 for the purpose of plans and designs for a new small boat harbor
11 to be located in Puko'o, Moloka'i.

12 The sum appropriated shall be expended by the department of
13 land and natural resources for the purposes of this Act.

14 SECTION 3. The appropriation made for the capital
15 improvement project authorized by this Act shall not lapse at
16 the end of the fiscal biennium for which the appropriation is
17 made; provided that all moneys from the appropriation
18 unencumbered as of June 30, 2018, shall lapse as of that date.

19 SECTION 4. This Act shall take effect on July 1, 2015.
