
SENATE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF EDUCATION TO ORGANIZE AND
COORDINATE OUT-OF-SCHOOL PROGRAMS FOR KINDERGARTEN THROUGH
TWELFTH GRADE AND IDENTIFY FUNDING OPPORTUNITIES FOR
CURRENT AND FUTURE DEPARTMENT OF EDUCATION OUT-OF-SCHOOL
PROGRAMS.

1 WHEREAS, approximately seventy-four percent of all children
2 in Hawaii are raised by working families; and

3
4 WHEREAS, approximately 4,645 children in Hawaii are
5 homeless and can benefit from a safe, structured out-of-school
6 environment; and

7
8 WHEREAS, the purpose of out-of-school programs is to
9 provide quality care and a quality learning experience while
10 preventing Hawaii's youth from engaging in risky behaviors that
11 may lead to tobacco, alcohol, or drug use or teen pregnancy and
12 often result in youth dropping out of school or not being
13 prepared to enter the workforce; and

14
15 WHEREAS, many out-of-school programs offered by community
16 organizations are expensive and often inaccessible due to the
17 high demand for services driven by lack of out-of-school
18 programming throughout the State; and

19
20 WHEREAS, Hawaii is the second most expensive state for
21 before and after school child care, with the average annual cost
22 reaching \$8,900 in 2012; and

23
24 WHEREAS, thirty-nine percent of all Hawaii children who are
25 not enrolled in an out-of-school program would be likely to
26 participate in a program if one were available in the community,
27 regardless of their current child care arrangement; and

28

1 WHEREAS, Hawaii has been recognized by Afterschool Alliance
2 as one of the top ten states for providing out-of-school
3 programs; and

4
5 WHEREAS, Hawaii has set a standard for providing excellent
6 out-of-school care by decreasing the percentage of children
7 providing self-care from thirty-three percent in 2009 to
8 seventeen percent in 2014; and

9
10 WHEREAS, the Department of Education established the
11 successful After-School Plus Program in 1990, implemented a
12 statewide high school junior varsity and varsity athletics
13 program for ninth through twelfth graders, piloted two middle
14 and intermediate school athletics programs at the Nanakuli-
15 Waianae and Kau-Keeau-Pau Complex Areas, and implemented career
16 and technical education programs that provide high school
17 students opportunities to acquire practical skills through the
18 application of academic understanding and hands-on experience;
19 and

20
21 WHEREAS, Hawaii's children continue to be the beneficiaries
22 of the Department of Education's relationship with statewide
23 child care providers and all out-of-school program providers,
24 and information gathered about out-of-school programs would
25 allow for better review and collaboration of all out-of-school
26 programs; and

27
28 WHEREAS, the State has a responsibility to provide its
29 youth with a variety of educational out-of-school activities
30 that build character and self-esteem; now, therefore,

31
32 BE IT RESOLVED by the Senate of the Twenty-eighth

6 for middle and intermediate schools and the cost of maintaining
7 out-of-school programs for kindergarten through twelfth grade;
8 and
9

10 BE IT FURTHER RESOLVED that the Department of Education is
11 requested to identify and acquire funding through federal funds
12 dedicated to disadvantaged communities, grants, revenue-
13 generating opportunities, and by determining user fees
14 associated with out-of-school programs; and
15

16 BE IT FURTHER RESOLVED that the Department of Education is
17 requested to consider seeking future funding for current and

30 to 6 programs; provided that in the event of insufficient
31 funding, priority be given to high poverty elementary, middle,
32 intermediate, and high schools and programs that meet specified
33 quality standards; and
34

35 BE IT FURTHER RESOLVED that certified copies of this
36 Concurrent Resolution be transmitted to the Governor,
