SB101 SD1 HD1 CD1 RELATING TO THE BUDGET
ACT 118 (15)

Sincerely,

DAVID Y. IGE
Governor, State of Hawai‘i
A BILL FOR AN ACT

RELATING TO THE BUDGET.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. The State began using Hawaii tobacco settlement special fund moneys fifteen years ago to support tobacco prevention and control, health promotion, disease prevention, and children's health programs. Since then, the State has made great strides in tobacco prevention and control; however, the legislature finds that the revenue stream into the Hawaii tobacco settlement special fund has fluctuated. In addition, varying state needs for tobacco prevention and control programs have led to significant variations in the allocations from the Hawaii tobacco settlement special fund from year to year.

The purpose of this Act is to enable greater budgetary stability and transparency over state funds and maximize financial resources for tobacco prevention and control by:

(1) Amending the distribution amounts allocated from the Hawaii tobacco settlement special fund; and

(2) Appropriating general fund revenues to budget programs and items that were formerly supported by the Hawaii tobacco settlement special fund.
SECTION 2. Section 328L-2, Hawaii Revised Statutes, is amended by amending subsection (b) to read as follows:

"(b) The fund shall be used for the purpose of receiving, allocating, and appropriating the tobacco settlement moneys as follows:

(1) [Twenty-four and one-half] Fifteen per cent shall be appropriated into the emergency and budget reserve fund under section 328L-3;

(2) Thirty-five per cent shall be appropriated to the department for purposes of section 328L-4;

(3) Twelve and one-half per cent shall be appropriated into the Hawaii tobacco prevention and control trust fund under section 328L-5; [and

(4) Twenty-eight] (3) Twenty-six per cent shall be appropriated into the university revenue-undertakings fund created in section [304A-2167], 304A-2167.5, to be applied solely to the payment of the principal of and interest on, and to generate required coverage, if any, for, revenue bonds issued by the board of regents of the University of Hawaii to finance the cost of construction of a university health and wellness
center, including a new medical school facility, to be situated on the island of Oahu, for the succeeding fiscal year, provided that any moneys in excess of the amount required to pay principal of and interest on, and to generate required coverage, if any, for such revenue bonds in any fiscal year, shall be transferred as follows:

(A) To the emergency and budget reserve fund under section 328L-3, eighty per cent of the excess;

and

(B) To the Hawaii tobacco prevention and control trust fund under section 328L-5, twenty per cent of the excess; and

(4) Any remaining amounts shall be deposited to the credit of the state general fund in the succeeding fiscal year."

SECTION 3. Section 328L-5, Hawaii Revised Statutes, is amended as follows:

1. By amending subsection (a) to read:

"(a) There is established the Hawaii tobacco prevention and control trust fund as a separate fund of a nonprofit entity
having a board of directors and qualifying under section 501(c)(3) of the Internal Revenue Code of 1986, as amended, into which shall be deposited moneys received as provided under section [328L-2(b)(3)] 328L-2(b)(2). The director of health with the concurrence of the governor, shall select, in accordance with law, the entity based upon the proven record of accomplishment of the entity in administering a similar trust fund."

(2) Expend the remainder of the moneys received by the department for health promotion and disease prevention programs, including but not limited to, maternal-child health and child development programs, promotion of healthy lifestyles (including fitness, nutrition, and tobacco control), and prevention-oriented public health programs.
