## HOUSE CONCURRENT RESOLUTION

REQUESTING THE BOARD OF EDUCATION AND THE DEPARTMENT OF  
EDUCATION TO DEVELOP A STRATEGIC PLAN TO ADDRESS CHRONIC  
STUDENT ABSENTEEISM.

1           WHEREAS, the Legislature finds that an important first step  
2 toward student success in public schools is ensuring that  
3 students are in attendance and ready to learn to maximize the  
4 efficiency of time spent in the classroom; and

5  
6           WHEREAS, attendance data, as it is currently recorded and  
7 reported, misrepresents the scope of the chronic absenteeism  
8 problems within Department of Education schools; and

9  
10          WHEREAS, finding a solution for chronic absenteeism has  
11 been an ongoing task for school administrators, the Department  
12 of Education, and the Board of Education; and

13  
14          WHEREAS, anecdotally, it has been reported that many  
15 teachers find attendance policies place an onerous  
16 responsibility on teachers rather than school administrative  
17 staff, to process absences, and absences have been incentivized  
18 through poorly aligned tardy policies; and

19  
20          WHEREAS, current policies and procedures have caused  
21 delayed notification to parents regarding student absences,  
22 resulting in minors being unaccounted for at some schools for up  
23 to twelve hours, or a complete breakdown in communicating  
24 absences to parents in many cases; and

25  
26          WHEREAS, delayed reporting of absences to parents has been  
27 noted in incidents involving serious injury or death of  
28 students, including an accident in November 2012 involving three  
29 Campbell High School students, which occurred during the school

1 day while the students' guardians were unaware of the students'  
2 absence from school; and

3  
4 WHEREAS, the lack of any statewide attendance policy or set  
5 of standards demands that a comprehensive analysis be conducted  
6 of chronic absenteeism; now, therefore,

7  
8 BE IT RESOLVED by the House of Representatives of the  
9 Twenty-eighth Legislature of the State of Hawaii, Regular  
10 Session of 2015, the Senate concurring, that the Department of  
11 Education and the Board of Education are requested to develop a  
12 strategic plan addressing chronic absenteeism to:

- 13  
14 (1) Identify weaknesses in attendance policies and  
15 procedures;  
16  
17 (2) Specify the desired outcomes for parent contact and  
18 classroom support; and  
19  
20 (3) Develop effective ways to collect and report data to  
21 administrators, guardians and respective neighborhood  
22 boards; and  
23

24 BE IT FURTHER RESOLVED that the Department of Education and  
25 the Board of Education are requested to implement standards  
26 requiring direct communication of any absences or tardiness to a  
27 student's guardians within a reasonable timeframe, as decided by  
28 the Board of Education, as well as written notification to  
29 guardians of any unexcused student absences; and  
30

31 BE IT FURTHER RESOLVED that the Department of Education is  
32 requested to submit a strategic plan to the Legislature for  
33 review sixty days prior to the convening of the Regular Session  
34 of 2016; and  
35

36 BE IT FURTHER RESOLVED that the Department of Education is  
37 requested to submit a report of its findings and  
38 recommendations, including any proposed legislation, to the  
39 Legislature no later than thirty days prior to the convening of  
40 the Regular Session of 2016; and

# H.C.R. NO. 173

1 BE IT FURTHER RESOLVED that certified copies of this  
2 Concurrent Resolution be transmitted to the Superintendent of
