## HOUSE RESOLUTION

REQUESTING THE DEPARTMENT OF TRANSPORTATION TO DEFINE WINDSHIELD AND CLARIFY THE MEANING OF AN OBSTRUCTION OF THE DRIVER'S CLEAR VIEW IN THE PERIODIC MOTOR VEHICLE INSPECTION MANUAL FOR INSPECTORS OF PASSENGER CARS AND LIGHT TRUCKS.

1           WHEREAS, the people of Hawaii should have the freedom to  
2 safely express their individual character and values; and  
3

4           WHEREAS, the State Department of Transportation is tasked  
5 with developing rules and regulations for uniform implementation  
6 across the State; and  
7

8           WHEREAS, the people of Hawaii deserve clarity from the  
9 Department of Transportation when it develops rules for  
10 inspectors of passenger cars and light trucks; and  
11

12           WHEREAS, the Department of Transportation is responsible  
13 for the issuance of both inspection station permits and  
14 inspector certificates; and  
15

16           WHEREAS, regarding the legality of having stickers on the  
17 rear window, members of the public are often given irrelevant or  
18 incorrect information from public officials and motor vehicle  
19 inspectors; and  
20

21           WHEREAS, a windshield is the front window of a passenger  
22 car or light truck; and  
23

24           WHEREAS, the Periodic Motor Vehicle Inspection Manual for  
25 Inspectors of Passenger Cars and Light Trucks states that any  
26 motor vehicle with any nontransparent material or object  
27 suspended within the windshield area is to fail the inspection,  
28 but this should only pertain to the front windshield, and not  
29 the rear window; and  
30

1           WHEREAS, the only relevant discussion of the rear window  
2 requirement within the Periodic Motor Vehicle Inspection Manual  
3 for Inspectors of Passenger Cars and Light Trucks is the  
4 statement that any motor vehicle with any nontransparent  
5 material upon the front windshield, side wings, or side or rear  
6 windows of such vehicle "which obstructs the driver's clear  
7 view" is to fail the inspection; and  
8

9           WHEREAS, the subjective decision of an inspector  
10 interpreting the meaning of a clear obstruction of the driver's  
11 "clear view" will lead to inconsistent practices and undermine  
12 the purpose of such regulations; and  
13

14           WHEREAS, the people of Hawaii have been needlessly required  
15 to destroy personal property - specifically, removing stickers  
16 on the rear window of their cars, thus negatively influencing  
17 associated businesses and encroaching on individual rights; now,  
18 therefore,  
19

20           BE IT RESOLVED by the House of Representatives of the  
21 Twenty-eighth Legislature of the State of Hawaii, Regular  
22 Session of 2015, that this body hereby requests the State  
23 Department of Transportation to define "windshield", and clarify  
24 the meaning of "an obstruction of the driver's clear view" in  
25 the Periodic Motor Vehicle Inspection Manual for Inspectors of  
26 Passenger Cars and Light Trucks; and  
27

28           BE IT FURTHER RESOLVED that the Department of  
29 Transportation is requested to publically disseminate  
30 information regarding the clarification of current regulations  
31 and any changes made to the Periodic Motor Vehicle Inspection  
32 Manual for Inspectors of Passenger Cars and Light Trucks; and  
33

34           BE IT FURTHER RESOLVED that the Department of  
35 Transportation is further requested to assess the feasibility of  
36 developing an Office of the Ombudsman to track complaints  
37 regarding inspection stations and inspectors; and  
38

39           BE IT FURTHER RESOLVED that certified copies of this  
40 Resolution be transmitted to the Director of the Department of  
41 Transportation, the chief of police in each county, and both the
