begs leave to report as follows:

Your Committee has reviewed the personal histories, resumes, and statements submitted by the nominees and finds Elizabeth Hoban and Susan Lee to possess the requisite qualifications to be nominated to the Center for Nursing Advisory Board.

As affirmed by the records of votes of the members of your Committee on Higher Education and the Arts that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

and the Arts,
