begs leave to report as follows:

The purpose of this measure is to request the Department of Business, Economic Development, and Tourism and attached agencies to prioritize the development of Kapolei into a job center in support of the State's and the City and County of Honolulu's policies to develop Kapolei into Oahu's "Secondary Urban Center" by, among other things:

- (1) Setting goals and developing a strategy and implementation plan to steer economic development to Kapolei; and
- (2) Working with businesses and business groups to determine a program of incentives that will effectively encourage more companies to locate or relocate to Kapolei.

The Office of Planning and the Land Use Research Foundation of Hawaii supported this measure.
