RELATING TO HISTORIC PRESERVATION.

HEAWTL, WAM

Includes only buildings, structures, objects, districts, areas, or sites that are significant in Hawaii's history, architecture, archeology, engineering, or culture in the definition of "historic property". Requires the state historic preservation division of the Department of Land and Natural Resources to initiate a pilot reconnaissance architectural survey project to document selected residences built between 1945 and 1980 and conduct a study of Hawaii mid-century architecture. Requires the division to provide the public and the counties with a list that identifies the types of projects that have no potential to affect a historic property; provide a list of properties identified by street address and tax map key that are likely to be ineligible for inclusion in the Hawaii register of historic places to the counties; and provide owners of historic property with notice of the property's likely eligibility in the Hawaii register of historic places. Appropriates funds.

No testimony will be accepted.

FOR AMENDED NOTICES: Measures that have been deleted are stricken through and measures that have been added are underscored. If a measure is both underscored and stricken through, that measure has been deleted from the agenda.
