
A BILL FOR AN ACT

RELATING TO ENTERPRISE TECHNOLOGY SERVICES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. In 2009, the legislative auditor reported that
2 the State's management of information technology was weak and
3 ineffective, requiring clearly defined roles, duties, and
4 responsibilities. The report noted that, without an effective
5 chief information officer, the State cannot ensure that its
6 information technology investments are "cost effective,
7 optimally utilized, adequately planned for future growth, or
8 have the operational flexibility to easily adapt to changing
9 requirements."

10 The purpose of this Act is to:

- 11 (1) Clearly establish the chief information officer as the
12 State's information technology leader;
- 13 (2) Delete statutory references to the information and
14 communication services division of the department of
15 accounting and general services; and
- 16 (3) Consolidate the office of information management and
17 technology and the information and communication
18 services division of the department of accounting and

1 general services, including all related information
2 technology functions, in the office of enterprise
3 technology services under the direction of the chief
4 information officer.

5 SECTION 2. Section 26-6, Hawaii Revised Statutes, is
6 amended by amending subsection (b) to read as follows:

7 "(b) The department shall:

- 8 (1) Preaudit and conduct after-the-fact audits of the
9 financial accounts of all state departments to
10 determine the legality of expenditures and the
11 accuracy of accounts;
- 12 (2) Report to the governor and to each regular session of
13 the legislature as to the finances of each department
14 of the State;
- 15 (3) Administer the state risk management program;
- 16 (4) Establish and manage motor pools;
- 17 (5) Manage the preservation and disposal of all records of
18 the State;
- 19 (6) Undertake the program of centralized engineering and
20 office leasing services, including operation and
21 maintenance and lease buyback processing pursuant to

1 subsection (d) of public buildings, for departments of
2 the State;

3 (7) Undertake the functions of the state surveyor;

4 (8) Establish accounting and internal control systems;

5 (9) [~~Provide~~] Under the direction of the chief information
6 officer, provide centralized computer information
7 management and processing services [~~, coordination in~~
8 ~~the use of all information processing equipment,~~
9 ~~software, facilities, and services in the executive~~
10 ~~branch of the State, and consultation and support~~
11 ~~services in the use of information processing and~~
12 ~~management technologies to improve the efficiency,~~
13 ~~effectiveness, and productivity of state government~~
14 ~~programs~~];

15 (10) Establish [~~, coordinate, and manage~~] a program to
16 provide a means for public access to public
17 information and develop [~~and operate~~] an information
18 network [~~in conjunction with its overall plans for~~
19 ~~establishing a communication backbone~~] for state
20 government; and

1 (11) Assume administrative responsibility for the office of
2 information practices."

3 SECTION 3. Section 27-43, Hawaii Revised Statutes, is
4 amended by amending its title and subsections (a) and (b) to
5 read as follows:

6 "§27-43 [~~Information technology,~~] Office of enterprise
7 technology services; chief information officer; information
8 technology steering committee; establishment; responsibilities.

9 (a) There is established within the department of accounting
10 and general services the office of enterprise technology
11 services, which shall be headed by a full-time chief information
12 officer to organize, manage, and oversee statewide information
13 technology governance [~~, including supervision and oversight of~~
14 ~~the information and communication services division of the~~
15 ~~department of accounting and general services)]. The chief
16 information officer shall be appointed by the governor as
17 provided in section 26-34. The chief information officer shall
18 report directly to the governor and, in conjunction with the
19 information technology steering committee, shall:~~

20 (1) Develop, implement, and manage statewide information
21 technology governance;

- 1 (2) Develop, implement, and manage the state information
2 technology strategic plans;
- 3 (3) Develop and implement statewide technology standards;
- 4 (4) Work with each executive branch department and agency
5 to develop and maintain its respective multi-year
6 information technology strategic and tactical plans
7 and roadmaps that are part of the State's overall
8 information technology strategic plans, roadmaps, and
9 directions;
- 10 (5) Coordinate each executive branch department and
11 agency's information technology budget request,
12 forecast, and procurement purchase to ensure
13 compliance with the department or agency's strategic
14 plan and roadmap and with the office of enterprise
15 technology services' information technology governance
16 processes and enterprise architecture policies and
17 standards, including policies and standards for
18 systems, services, hardware, software, and security
19 management;

- 1 ~~[(4)]~~ (6) Report annually to the governor and the
2 legislature on the status and implementation of the
3 state information technology strategic plan;
- 4 ~~[(5)]~~ (7) Perform other necessary or desirable functions to
5 facilitate the intent of this section; ~~[and]~~
- 6 ~~[(6)]~~ (8) Employ persons exempt from chapters 76 and 89 ~~[+]~~;
- 7 (9) Provide centralized computer information management
8 and processing services, coordination in the use of
9 all information processing equipment, software,
10 facilities, and services in the executive branch of
11 the State, and consultation and support services in
12 the use of information processing and management
13 technologies to improve the efficiency, effectiveness,
14 and productivity of state government programs;
- 15 (10) Establish, coordinate, and manage a program to provide
16 a means for public access to public information and
17 develop and operate an information network in
18 conjunction with overall plans for establishing a
19 communication backbone for state government; and
- 20 (11) Adopt rules, pursuant to chapter 91, necessary for the
21 purposes of this part.

1 (b) There is established an information technology
2 steering committee to assist the chief information officer in
3 developing the State's information technology standards and
4 policies, including but not limited to:

5 (1) Assisting the chief information officer in developing
6 and implementing the state information technology
7 strategic plans;

8 (2) Assessing executive branch departments' progress in
9 meeting the objectives defined in the state
10 information technology strategic plans and identifying
11 best practices for shared or consolidated services;

12 (3) Ensuring technology projects are selected based on
13 their potential impact and risk to the State, as well
14 as their strategic value;

15 (4) Ensuring that executive branch departments maintain
16 sufficient tools to assess the value and benefits of
17 technology initiatives;

18 (5) Assisting the chief information officer in developing
19 state information technology standards and policies;
20 and

1 (6) Clarifying the roles, responsibilities, and authority
2 of the [~~information and communication services~~
3 ~~division,~~] office of enterprise technology services,
4 specifically as it relates to its statewide duties.

5 The information technology steering committee shall consist
6 of eleven members, with four members to be appointed by the
7 senate president, four members to be appointed by the speaker of
8 the house of representatives, one member to be appointed by the
9 chief justice, and one member to be appointed by the governor,
10 and shall include representatives from executive branch
11 departments, including large user agencies such as the
12 department of education and the University of Hawaii; the
13 judiciary; the legislature; and private individuals. The chief
14 information officer shall serve as the chair of the committee
15 and shall ensure that the committee is evaluated periodically."

16 SECTION 4. Section 27G-3, Hawaii Revised Statutes, is
17 amended by amending subsection (b) to read as follows:

18 "(b) The committee shall consist of not more than fifteen
19 voting[+], [+]
20 ex officio members, or their designated
21 representatives, as follows:

(1) The comptroller;

1 ~~[-2]~~ ~~The administrator of the information and communication~~
2 ~~services division of the department of accounting and~~
3 ~~general services;~~

4 ~~[-3]~~ (2) The administrator of the state procurement
5 office;

6 ~~[-4]~~ (3) The director of the office of information
7 practices;

8 ~~[-5]~~ (4) The directors of not more than three government

15 representatives appointed by the speaker of the house
16 of representatives;

17 ~~[-9]~~ (8) The chief information officers of the four
18 counties; and

19 ~~[-10]~~ (9) The chief information officer."

20 SECTION 5. Section 27G-6, Hawaii Revised Statutes, is
21 amended to read as follows:

1 " ~~[f] §27G-6 [t]~~ Access Hawaii committee special fund. There
2 is established in the state treasury the access Hawaii committee
3 special fund, into which shall be deposited fees collected by
4 the ~~[information and communication services division within the~~
5 ~~department of accounting and general services]~~ office of
6 enterprise technology services for the purpose of supporting the
7 access Hawaii committee. The chief information officer may
8 appoint a portal program manager exempt from chapter 76, which
9 may be funded by the access Hawaii committee special fund.
10 Expenditures from the access Hawaii committee special fund shall
11 be approved by the access Hawaii committee; provided that
12 information on income and expenditures shall be subject to
13 legislative review and oversight in each budget submittal from
14 the department of accounting and general services."

15 SECTION 6. Section 435H²-4, Hawaii Revised Statutes, is
16 amended by amending subsection (d) to read as follows:

17 "(d) The governor shall designate one representative to
18 serve as the State's official representative on the board from
19 among the following: the director of commerce and consumer
20 affairs, the director of health, the director of human services,
21 the director of labor and industrial relations, a representative

1 from the office of healthcare transformation, or a
2 representative from the [~~office of information management and~~
3 ~~technology.~~] office of enterprise technology services.

4 The governor's designated representative shall be an ex
5 officio, voting member of the board. The remaining state
6 officials shall be ex officio, nonvoting members of the board.
7 The governor shall notify the chair of the board regarding the
8 selection of the designated voting and nonvoting state members
9 of the board.

10 The director of commerce and consumer affairs, the director
11 of health, the director of human services, and the director of
12 labor and industrial relations may select a designee for a
13 specified meeting or meetings. The selection of the designee
14 shall be submitted in writing to the board of directors prior to
15 or at the meeting in which the designee will serve."

16 SECTION 7. Section 487N-5, Hawaii Revised Statutes is
17 amended as follows:

18 1. By amending subsection (a) to read:

19 "(a) There is established an information privacy and
20 security council within the department of accounting and general
21 services for administrative purposes only. Members of the

1 council shall be appointed no later than September 1, 2008, by
2 the governor without regard to section 26-34 and shall be
3 composed of the following representatives:

- 4 (1) Executive agencies that maintain extensive personal
5 information in the conduct of their duties, including
6 the department of commerce and consumer affairs, the
7 department of education, the department of health, the
8 department of human resources development, the

15 ~~the courts,]~~ chief justice of the Hawaii supreme
16 court; and
- 17 (4) The four counties, to be selected by the mayor of each
18 county; provided that the mayor of each county shall
19 determine the extent to which the county may or may
20 not participate.

1 The chief information officer or the chief information
2 officer's designee shall serve as chair of the council."

3 2. By amending subsection (e) to read:

4 "(e) The [~~comptroller~~] chief information officer may
5 establish support positions for the [~~information and~~
6 ~~communication services division,~~] office of enterprise
7 technology services, including but not limited to [~~legal~~
8 ~~support,~~] information technology, human resources and personnel,
9 records management, and administrative support."

10 SECTION 8. All rights, powers, functions, and duties of
11 the office of information management and technology and the
12 information and communication services division of the
13 department of accounting and general services relating to
14 information technology are consolidated under the office of
15 enterprise technology services. The chief information officer
16 shall amend or repeal rules under chapter 91, Hawaii Revised
17 Statutes, as necessary.

18 SECTION 9. All rules, policies, procedures, guidelines,
19 and other materials adopted or developed by the office of
20 information management and technology or the information and
21 communication services division of the department of accounting

1 and general services to implement provisions of the Hawaii
2 Revised Statutes which are reenacted or made applicable to the
3 office of enterprise technology services by this Act shall
4 remain in full force and effect until amended or repealed by
5 chief information officer pursuant to chapter 91, Hawaii Revised
6 Statutes. In the interim, every reference to the department of
7 accounting and general services or the information and
8 communication services division in those rules, policies,
9 procedures, guidelines, and other material is deemed to refer to
10 the office of enterprise technology services, as appropriate.

11 SECTION 10. All leases, contracts, loans, agreements,
12 permits, or other documents executed or entered into by or on
13 behalf of the office of information management and technology or
14 the information and communication services division of the
15 department of accounting and general services pursuant to the
16 provisions of the Hawaii Revised Statutes, which are reenacted
17 or made applicable to the office of enterprise technology
18 services by this Act, shall remain in full force and effect.
19 Effective July 2, 2016, every reference to the office of
20 information management and technology and the information and
21 communication services division therein shall be construed as a

1 reference to the office of enterprise technology services as
2 appropriate.

3 SECTION 11. All appropriations, records, equipment,
4 machines, files, supplies, contracts, books, papers, documents,
5 maps, and other personal property heretofore made, used,
6 acquired, or held by the office of information management and
7 technology or information and communication services division of
8 the department of accounting and general services relating to
9 the functions transferred to the office of enterprise technology
10 services shall be transferred with the functions to which they
11 relate.

12 SECTION 12. Statutory material to be repealed is bracketed
13 and stricken. New statutory material is underscored.

14 SECTION 13. This Act shall take effect on July 2, 2016.
