RELATING TO THE EMPLOYEES' RETIREMENT SYSTEM.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. Section 89E-3, Hawaii Revised Statutes, is amended as follows:

1. By amending subsection (a) to read:

"(a) Notwithstanding section 88-99 or any other law to the contrary, the employees' retirement system may provide, regardless of whether the actuarial value of the system's assets is one hundred per cent of the system's actuarial accrued liability, the benefits authorized under this section. Any employee who receives official notification that the employee's position is being abolished or who is directly affected by a reduction-in-force or workforce restructuring plan, including privatization, proposed by an agency may elect, if the employee is eligible to receive benefits from the employees' retirement system and meets any of the criteria specified in subsection (c), the special retirement benefit provided by this section in lieu of exercising any reduction-in-force rights under chapter 89 [and in lieu of receiving any severance benefits under]
section 89E-2]. To receive the special retirement benefit offered under this section, the employee shall comply with the application and time frame requirements specified in subsection (b)."

2. By amending subsection (e) to read:

"(e) The head of the agency shall transmit a list of employees who elected and received the special retirement benefit to the board of trustees of the employees' retirement system not less than thirty days but not more than one hundred fifty days prior to the employee's retirement date. The head of the agency shall certify that the employees on the list have in fact selected the special retirement benefit in lieu of [receiving the severance benefit under section 89E-2 and] exercising any reduction-in-force rights under chapter 89."

SECTION 2. Section 89E-4, Hawaii Revised Statutes, is amended to read as follows:

"[§]§89E-4[¶] Restrictions. No [severance benefit or] special retirement benefit under this chapter shall be payable to an employee discharged for lawful disciplinary reasons or for reasons other than a reduction-in-force or workforce restructuring plan."
SECTION 3. Section 89E-5, Hawaii Revised Statutes, is amended to read as follows:

"§89E-5 Reemployment. Any employee who has received either a severance benefit or a special retirement benefit under this chapter and returns to public service within two years as an employee or contractor shall repay the severance benefit or the special retirement benefit to the State or the employees' retirement system, as the case may be, within thirty days of reemployment with a public employer."

SECTION 4. Section 89E-6, Hawaii Revised Statutes, is amended to read as follows:

"§89E-6 Payments; lapse of unexpended funds. After payments of all costs associated with the severance benefits and special retirement benefits, the public employer's remaining payroll balances shall not be expended for any purpose and shall be lapsed into the appropriate fund."

"§89E-7 Reporting requirements; reduction in personnel counts. The head of the agency that provided benefits under this chapter shall:
(1) Transmit a report of every position identified for abolishment and vacated under this chapter to the directors of finance and human resources development, who shall abolish these positions from the appropriate budget and personnel files. The governor shall report this information to the legislature no later than twenty days prior to the convening of each regular session beginning with the regular session of 2017;

(2) Reduce its personnel count by every position identified for abolishment and vacated under this chapter, whether the former incumbent vacated the position as a result of accepting a special retirement benefit authorized under this chapter or of exercising reduction-in-force rights; and

(3) Transmit a list that includes each employee who received benefits under this chapter and the benefit received by the employee to the directors of finance and human resources development."

(b) A one-time lump sum cash bonus severance benefit shall be calculated at five percent of the employee's base salary for every year of service worked, not to exceed ten years, and shall not exceed fifty percent of the employee's annual base salary.
