# A BILL FOR AN ACT

RELATING TO HAWAII STATE IDENTIFICATION CARDS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that Hawaii state  
2 identification cards are often needed by individuals who do not  
3 have a Hawaii driver's license or who do not drive, such as  
4 children and the elderly. Some individuals who have a Hawaii  
5 driver's license also have a Hawaii state identification card in  
6 case either is lost or stolen.

7           The legislature further finds that Hawaii state  
8 identification cards are issued at driver licensing offices, but  
9 are not issued at satellite city halls. Although some satellite  
10 city halls process driver's license renewals and duplicates,  
11 because these satellites do not issue driver's licenses, under  
12 state law they cannot issue Hawaii state identification cards.

13           Allowing satellite city halls to issue Hawaii state  
14 identification cards will provide additional and convenient  
15 locations for customers, including the elderly, to obtain Hawaii  
16 state identification cards and will reduce customers' travel

1 time and long waits in line, and ease the stresses that are  
2 common at crowded driver's licensing offices.

3 The purpose of this Act is to allow any satellite city hall  
4 in any county with a population of more than seven hundred  
5 thousand persons to issue Hawaii state identification cards.

6 SECTION 2. Chapter 286, Hawaii Revised Statutes, is  
7 amended by adding a new section to part XVI to be appropriately  
8 designated and to read as follows:

9 "§286- Issuance of Hawaii state identification cards;  
10 counties; satellite city halls. Effective July 1, 2019, the  
11 examiner of drivers may issue Hawaii state identification cards  
12 pursuant to section 286-301 at any satellite city hall in any  
13 county with a population of more than seven hundred thousand  
14 persons."

15 SECTION 3. The director of transportation in consultation  
16 with the examiner of drivers shall submit a report to the  
17 legislature no later than twenty days prior to the convening of  
18 the regular session of 2018 on the progress made and findings  
19 and recommendations, including any proposed legislation,  
20 funding, and equipment, if any, needed to implement this Act.  
21 The report shall also include any information that is relevant

1 to the legislature's review of the issuance of Hawaii state  
2 identification cards at any satellite city hall in accordance  
3 with this Act.

4 SECTION 4. New statutory material is underscored.

5 SECTION 5. This Act shall take effect on July 1, 2050.
