

STAND. COM. REP. NO.

1691

Honolulu, Hawaii

APR 20 2017

RE: H.C.R. No. 143

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Ninth State Legislature
Regular Session of 2017
State of Hawaii

Sir:

Your Committee on Economic Development, Tourism, and
Technology, to which was referred H.C.R. No. 143 entitled:

"HOUSE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF
BUSINESS, ECONOMIC DEVELOPMENT, AND TOURISM TO DEVELOP A
MASTER PLAN FOR THE HILO INTERNATIONAL AEROSPACE AND
TECHNOLOGY PARK,"

begs leave to report as follows:

The purpose and intent of this measure is to request the
Department of Business, Economic Development, and Tourism to
develop a master plan for the Hilo International Aerospace and
Technology Park.

Your Committee received testimony in support of this measure
from the Pacific International Space Center for Exploration
Systems, County of Hawaii Mayor Harry Kim, and four individuals.
Your Committee received comments on this measure from the
Department of Business, Economic Development, and Tourism and High
Technology Development Corporation.

Your Committee finds that the Department of Business,
Economic Development, and Tourism, through the High Technology
Development Corporation, has established a goal of creating 80,000
new jobs with salaries over \$80,000 in technology and innovation
by 2030. Your Committee also finds that the Hawaii Office of
Aerospace Development, in the Department of Business, Economic
Development, and Tourism, provides a focal point within the state

government to coordinate Hawaii's aerospace, aeronautical, and aviation industries. Your Committee further finds that the collaboration of these agencies, alongside various other technology agencies in the State, to develop a master plan for the Hilo International Aerospace and Technology Park will support the long-term goals of job creation and technology innovation in the State.

As affirmed by the record of votes of the members of your Committee on Economic Development, Tourism, and Technology that is attached to this report, your Committee concurs with the intent and purpose of H.C.R. No. 143 and recommends that it be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Economic
Development, Tourism, and
Technology,

GLENN WAKAI, Chair

The Senate
 Twenty-Ninth Legislature
 State of Hawai'i
