

STAND. COM. REP. NO.

1446

Honolulu, Hawaii

APR 06 2017

RE: S.C.R. No. 90  
S.D. 1

Honorable Ronald D. Kouchi  
President of the Senate  
Twenty-Ninth State Legislature  
Regular Session of 2017  
State of Hawaii

Sir:

Your Committee on Ways and Means, to which was referred  
S.C.R. No. 90, S.D. 1, entitled:

"SENATE CONCURRENT RESOLUTION URGING THE OFFICE OF PLANNING  
TO UPDATE THE HAWAII STATE PLANNING ACT'S ECONOMIC OBJECTIVES  
FOR AGRICULTURE,"

begs leave to report as follows:

The purpose and intent of this measure is to urge the Office  
of Planning to study and update the economic objectives and  
policies for agriculture in the Hawaii State Planning Act.

Your Committee received written comments in support of this  
measure from the Department of Agriculture and the Office of  
Planning.

Your Committee finds that the agriculture industry in Hawaii  
has changed drastically over the years. Sugar and pineapple are  
no longer predominant, and diversification is increasing. Thus,  
your Committee finds that the agriculture provisions of the Hawaii  
State Planning Act should be updated.

As affirmed by the record of votes of the members of your  
Committee on Ways and Means that is attached to this report, your  
Committee concurs with the intent and purpose of S.C.R. No. 90,  
S.D. 1, and recommends its adoption.

Respectfully submitted on  
behalf of the members of the  
Committee on Ways and Means,

---

JILL N. TOKUDA Chair
