
A BILL FOR AN ACT

RELATING TO VEHICLE INSPECTION STATIONS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that revoking or
2 suspending of vehicle inspection station licenses leads to
3 unemployment for the employees of the station. This shifts the
4 consequences of noncompliance with inspection requirements from
5 station owners or management to station employees who may have
6 little or no decision-making power in regards to station
7 operation.

8 The purpose of this Act is to end the burden that
9 unemployment due to a revocation or suspension of an inspection
10 station's license imposes on station workers and their families,
11 communities, and the State.

12 SECTION 2. Section 286-28, Hawaii Revised Statutes, is
13 amended to read as follows:

14 "**§286-28** ~~[Suspension or revocation of permits.]~~ Fines.

15 The department shall supervise and cause inspections to be made
16 of official inspection stations and shall ~~[suspend or revoke and~~
17 ~~require the surrender of the permit issued]~~ issue a fine of

1 \$ _____ to a station which it finds is not properly
2 conducting inspections. The department shall maintain and post
3 at its office lists of all stations holding permits [~~and those~~
4 ~~whose permits have been suspended or revoked~~]."

5 SECTION 3. Statutory material to be repealed is bracketed
6 and stricken. New statutory material is underscored.

7 SECTION 4. This Act shall take effect on July 1, 2050.
