S.C.R. NO. //

1
2 WHEREAS, a seamless system of care has numerous positive
3 outcomes for children and youth, including the improvement of
4 school attendance and grades; increasing stability of living
5 situations; and decreasing behavioral health challenges, suicide
6 rates, substance abuse, and involvement in the juvenile justice
7 system; and

8
9 WHEREAS, the Department of Education, Department of Health,
10 Department of Human Services, and Judiciary formed the Hawaii

13 care for children, youth, and families; and

14
15 WHEREAS, representatives of children, youth, and families
16 are included as valued HISYNC members and regularly attend

20
21 WHEREAS, the HISYNC members primarily work to improve

5
- 6 (2) A multi-agency consent form for information sharing
7 that streamlines the process for parents to access
8 care, thus alleviating the often duplicative and
9 numerous forms that parents need to complete and sign;
10
- 11 (3) A jointly-funded independent facilitator position to
12 carry out the daily activities of HISYNC and the
13 Hawaii Interagency Local Youth Network of Care
14 (HILYNC) committees;
15
- 16 (4) An annual interagency report with data on youth
17 served, costs, and outcomes, which brings together the
18 story of youth in Hawaii with respect to how they are
19 being served and supported by child-serving agencies;
20 and
21
- 22 (5) Facilitating the development of local and regional
23 HILYNC groups, also known as HILYNC committees, to
24 promote interagency collaborative work on the local
25 level; now, therefore,
26

27 BE IT RESOLVED by the Senate of the Twenty-ninth
28 Legislature of the State of Hawaii, Regular Session of 2018, the

41

S.C.R. NO. 11

1 BE IT FURTHER RESOLVED that HISYNC is urged to coordinate
2 the complex landscape of the child-serving system to better
3 serve children, youth, and families; and
4

5 BE IT FURTHER RESOLVED that certified copies of this
6 Concurrent Resolution be transmitted to the Governor,
7 Superintendent of Education, Director of Health, Director of
