

STAND. COM. REP. NO.

3307

Honolulu, Hawaii

MAR 28 2018

RE: S.C.R. No. 89
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Ninth State Legislature
Regular Session of 2018
State of Hawaii

Sir:

Your Committee on Transportation and Energy, to which was referred S.C.R. No. 89 entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF TRANSPORTATION TO CONDUCT A STUDY OF PERSONAL VEHICLE RENTAL ORGANIZATIONS,"

begs leave to report as follows:

The purpose and intent of this measure is to request the Department of Transportation to convene a working group to conduct a study on the personal vehicle rental industry.

Your Committee received testimony in support of this measure from Enterprise Holdings. Your Committee received testimony in opposition to this measure from the Department of Transportation. Your Committee received comments on this measure from Turo, Inc.

Your Committee finds that improvements in communication technology has allowed private individuals to easily lease personal property and provide services without regard to laws and regulations. One of these new opportunities, known as peer-to-peer car sharing, is to rent personal vehicles to other individuals. Your Committee finds that this business model is currently unregulated, so there are no laws or rules to ensure that drivers are qualified or that vehicles meet insurance and vehicle safety standards.

At the hearing on this measure, Turo, Inc., a peer-to-peer car sharing company in Hawaii, expressed concern that no representatives from the peer-to-peer car sharing industry were requested to be invited to the working group.

Accordingly, your Committee has amended this measure by:

- (1) Requesting that the Department of Transportation include two representatives from the peer-to-peer car sharing industry in the working group; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Transportation and Energy that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 89, as amended herein, and recommends that it be referred to your Committee on Commerce, Consumer Protection, and Health, in the form attached hereto as S.C.R. No. 89, S.D. 1.

Respectfully submitted on
behalf of the members of the
Committee on Transportation and
Energy,

LORRAINE R. INOUYE, Chair

The Senate
 Twenty-Ninth Legislature
 State of Hawai'i
