THE SENATE
TWENTY-NINTH LEGISLATURE, 2017
STATE OF HAWAII

ACT 013
S.B. NO. 270
S.D. 1
H.D. 2
C.D. 1

A BILL FOR AN ACT

RELATING TO MINORS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the American
2 Psychological Association convened a task force on appropriate
3 therapeutic responses to sexual orientation. The task force
4 conducted a systematic review of peer-reviewed journal
5 literature on sexual orientation change efforts. The task force
6 concluded that sexual orientation change efforts are unlikely to
7 be successful and involve risk of harm to lesbian, gay, and
8 bisexual individuals, including depression, suicidality, loss of
9 sexual feeling, anxiety, shame, negative self-image, and other
10 negative feelings and behaviors. The legislature further finds
11 that children and adolescents who participate in these types of
12 sexual orientation change efforts, which often use fear-based
13 techniques, are given inaccurate scientific information
14 regarding sexual orientation and gender identity and are also at
15 risk of increased self-stigma and psychological distress.

16 The legislature additionally finds that sexual orientation
17 change efforts are opposed by the country's leading medical and

1 mental health professional organizations, including the American
2 Psychological Association, American Medical Association,
3 American Academy of Pediatrics, American Psychiatric
4 Association, National Association of Social Workers, American
5 College of Obstetricians and Gynecologists, and American Academy
6 of Child and Adolescent Psychiatry.

7 The purpose of this Act is to:

- 8 (1) Protect the physical and psychological well-being of
9 minors, including lesbian, gay, bisexual, and
10 transgender youth, against exposure to serious harms
11 caused by sexual orientation change efforts by
12 regulating the conduct of specific state-licensed
13 persons who provide professional counseling to minors
14 under the age of eighteen and prohibiting these
15 professionals from engaging in, attempting to engage
16 in, or advertising the offering of sexual orientation
17 change efforts on persons under eighteen years of age;
18 and
19 (2) Establish the sexual orientation counseling task force
20 to address the concerns of minors seeking counseling

1 on sexual orientation, gender identity, gender
2 expressions, and related behaviors.

3 SECTION 2. The Hawaii Revised Statutes is amended by
4 adding a new chapter to title 25 to be appropriately designated
5 and to read as follows:

6 "CHAPTER

7 SEXUAL ORIENTATION CHANGE EFFORTS

8 § -1 Sexual orientation change efforts prohibited;
9 advertising prohibited. (a) No person who is licensed to
10 provide professional counseling shall:

11 (1) Engage in or attempt to engage in sexual orientation

15 efforts on a person under eighteen years of age.

16 (b) Any person who is licensed to provide professional

15 chapter 467E; licensed mental health counselor licensed pursuant
16 to chapter 453D; or licensed marriage and family therapist
17 licensed pursuant to chapter 451J.

18 "Sexual orientation change efforts" means the practice of
19 attempting to change a person's sexual orientation, including
20 but not limited to efforts to change gender identity or gender
21 expressions and behaviors; or to reduce or eliminate sexual or

1 romantic attractions or feelings toward a person of the same
2 gender.

3 "Sexual orientation change efforts" shall not include
4 counseling supporting a person seeking to transition from one
5 gender to another or counseling that:

- 6 (1) Provides acceptance, support, and understanding of a
7 person or facilitates a person's coping, social
8 support, and identity exploration and development,
9 including sexual orientation-neutral interventions to
10 prevent or address unlawful conduct or unsafe sexual
11 practices; and
- 12 (2) Does not seek to change sexual orientation, gender
13 identity, or gender expression."

14 SECTION 3. (a) There is established within the department
15 of health, the sexual orientation counseling task force. The

17 counseling on sexual orientation, gender identity, gender
18 expressions, and related behaviors. The task force shall submit
19 a report with findings and recommendations, including proposed
20 legislation, to the legislature no later than twenty days prior

1 to the convening of the regular session of 2019. The report
2 shall address and include:

4 for minors, including counseling on sexual
5 orientation, gender identity, gender expression, and
6 related behaviors;

13 counseling on sexual orientation, gender identity,
14 gender expression, and related behaviors; and

15 (4) Proposed legislation to provide accessible and
16 appropriate counseling to minors on issues regarding
17 sexual orientation, gender identity, gender
18 expression, and related behaviors.

19 (b) The director of health, or the director's designee,
20 shall be the chair of the sexual orientation counseling task
21 force. The task force shall include:

- 1 (1) Three members to be selected by the governor; provided
2 that two members shall be from the mental health

16 force shall be made subject to section 84-17, Hawaii Revised
17 Statutes, solely because of that member's participation on the
18 task force. The task force shall be exempt from chapter 92,
19 Hawaii Revised Statutes.
- 20 (d) The sexual orientation counseling task force shall
21 dissolve on June 30, 2019.

2 matured, penalties that were incurred, and proceedings that were
3 begun before its effective date.

4 SECTION 5. If any provision of this Act, or the
5 application thereof to any person or circumstance, is held
6 invalid, the invalidity does not affect other provisions or
7 applications of the Act that can be given effect without the
8 invalid provision or application, and to this end the provisions
9 of this Act are severable.
