Your Committee finds that Ms. Nojima brings to the Council extensive expertise in engineering and the construction industry to assist the Council in meeting the current and future needs of these industry sectors.

Sean Knox

Your Committee received testimony in support of the nomination for the reappointment of Sean Knox from the Department of Labor and Industrial Relations, Workforce Development Council, and two individuals.

Upon review of the testimony, your Committee finds that Mr. Knox's experience in employment services, background, and knowledge qualify him for reappointment to the Hawaii Workforce Development Council as a representative of the private sector, including nonprofit organizations and businesses in the State. Mr. Knox is currently employed as the President, CEO, and Partner of Hawaii Employment Services, where he matches thousands of employees with employers throughout the State, including 2,086 employees in 2017. Your Committee finds that Mr. Knox brings to the Council extensive expertise in job placement and employment services to assist the Department of Labor and Industrial Relations in supporting employment opportunities for employees and employers throughout the State.

As affirmed by the records of votes of the members of your Committee on Labor that are attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.
