DEPARTMENT: Land and Natural Resources

TITLE: A BILL FOR AN ACT RELATING TO USE PERMITS FOR SMALL BOAT HARBOR FACILITIES.

PURPOSE: To clarify that certain fees for state small boat harbors shall be established by appraisal by a state-licensed appraiser approved by the Department and set at fair market value; and to clarify fees charged for vessels used for commercial purposes.

MEANS: Amend section 200-10(c), Hawaii Revised Statutes (HRS).

JUSTIFICATION: Liveaboards are the direct beneficiaries of small boat harbor amenities. Currently, all mooring and commercial maritime fees referenced in section 200-10, HRS, with the exception of a liveaboard fee, are established by appraisal. Revising the manner in which a liveaboard fee is determined within a state small boat harbor, would conform to the appraised value method used for other fees collected under section 200-10, HRS.

An increase in fees collected under section 200-10, HRS, would go toward funding upgrades to state small boat harbor facilities resulting in improved sanitation, maintenance, and cleanliness of boat harbor facilities.

Impact on the public: All fees collected under section 200-10, HRS, go toward, among other things, operating, maintaining, and managing all state small boat harbor facilities under the control of the Department.

Impact on the department and other agencies: This bill would allow the Department to collect mooring and liveaboard fees that are at fair market value to help cover operating
costs and expenses, and upgrades to state small boat harbor facilities.
