DEPARTMENT: University of Hawaii

TITLE: A BILL FOR AN ACT RELATING TO THE UNIVERSITY OF HAWAII TUITION AND FEES SPECIAL FUND.

PURPOSE: This bill would repeal the requirement that each University of Hawaii (UH) campus prepare an operations plan, to be reviewed by the President and Vice President for Budget and Finance and Chief Financial Officer (CFO) of UH, for each fiscal year; and further repeals the requirement that the moneys in the UH Tuition and Fees Special Fund for each UH campus lapse to the credit of Program ID No. UOH900 (University of Hawaii, system wide support).

MEANS: Amend section 304A-2153, Hawaii Revised Statutes.

JUSTIFICATION: Act 236, Session Laws of Hawaii 2015, required each UH campus to prepare an operations plan to be reviewed by the President of UH. The Act also required moneys in the UH Tuition and Fees Special Fund for each UH campus to lapse at the end of each fiscal year to the credit of UH, System Wide Support (UOH900). The fiscal controls in Act 236 also provided the President and CFO of the UH with significantly greater control over UH operations.

The operations plan is not necessary, as Regent Policy (RP) 8.204 requires the Board of Regents to approve an annual operating budget for the University and to review those planned budgets with actual performance on a quarterly basis. RP 8.204 goes beyond the requirements of Act 236 as it delineates Board approval and review.
When a student (or the student's family) pays tuition or fees to a particular program or campus, the student may feel that that money should only benefit that particular recipient. Comingling of funds or the use of those funds outside of that campus may be inconsistent with the expectations of those that paid to a specific entity, thereby resulting in misunderstandings.

While this may be viewed as a uniform way to manage funds paid to campuses via tuition and fees, it may also be contrary to the sense to those paying the fees that their money will stay within a particular campus and/or program for the student's needs.

The amount of fees a student pays in a particular program can be significantly different from that in another program. Therefore, parents paying for their child's expenses in a program with a significant amount of fees may be dismayed to learn that the amount of fees paid to the program could later be used for other purposes outside of the intent of the fee since any funds left over at the end of the fiscal year would be transferred to UOH900 for use throughout the UH system instead of being encumbered by the program, as was the case prior to Act 236.
