

STAND. COM. REP. NO.

1456

Honolulu, Hawaii

MAR 22 2019

RE: H.B. No. 1070

H.D. 1

Honorable Ronald D. Kouchi  
President of the Senate  
Thirtieth State Legislature  
Regular Session of 2019  
State of Hawaii

Sir:

Your Committee on Education, to which was referred H.B. No. 1070, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO EDUCATION,"

begs leave to report as follows:

The purpose and intent of this measure is to prohibit public schools from being required by the Department of Education to expend their own school funds to maintain any geographically disadvantageous land on or adjacent to its property.

Your Committee received testimony in support of this measure from the Department of Education.

Your Committee finds that certain public schools have geographical features, such as streams or rough terrain, on or adjacent to their property and have been required to expend their own school funds to maintain these features. Since all public schools do not have streams or rough terrain on or adjacent to their property, schools that do should not be unfairly disadvantaged. This measure ensures fairness in schools' financial resources, allowing for more resources to be better spent on actual education-related needs.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee is in accord with the intent and purpose of H.B.

No. 1070, H.D. 1, and recommends that it pass Second Reading and be referred to your Committee on Ways and Means.

Respectfully submitted on  
behalf of the members of the  
Committee on Education,

MICHELLE N. KIDANI, Chair

The Senate  
Thirtieth Legislature  
State of Hawai'i
