6 execution and expenditure.

7           SECTION 86. Provided that notwithstanding any law to the  
8 contrary, funds appropriated in this Act may be transferred with  
9 the approval of the governor to the General Improvements Act of  
10 2019 (House Bill No. 1259, S.D. 1, C.D.1), for program execution  
11 and expenditure.

## PART V. SPECIAL PROVISIONS

1 SECTION 87. The governor may supplement funds for any cost  
2 element for a capital improvement project authorized under this  
3 Act by transferring sums as may be needed from the funds  
4 appropriated for any other cost element of the same project by  
5 this Act or any other prior or future act that has not lapsed;  
6 provided that the total expenditure of funds for all cost  
7 elements shall not exceed the total appropriations for that  
8 project; provided further that the governor shall submit a  
9 report to the legislature of all uses of this authority for the  
10 previous twelve month period from December 1 to November 30 no  
11 later than thirty days prior to the convening of the regular  
12 sessions of 2020 and 2021.

13 SECTION 88. Any provision of this Act to the contrary  
14 notwithstanding, the appropriations made for capital improvement  
15 projects authorized under this Act shall not lapse at the end of  
16 the fiscal biennium for which the appropriation is made;  
17 provided that all appropriations made to be expended in fiscal  
18 biennium 2019-2021 that are unencumbered as of June 30, 2022,  
19 shall lapse as of that date; provided further that this lapsing  
20 date shall not apply to non-general fund appropriations for

1 projects described in part III of this Act where the  
2 appropriations have been deemed necessary to qualify for federal  
3 aid financing and reimbursement; provided further that those  
4 appropriations that are unencumbered as of June 30, 2026, shall  
5 lapse as of that date.

6 SECTION 89. In releasing funds for capital improvement  
7 projects, the governor shall consider legislative intent and the  
8 objectives of the user agency and its programs; the scope and  
9 level of the user agency's intended service; and the means,  
10 efficiency, and economics by which the project will meet the  
11 objectives of the user agency and the State; provided that  
12 agencies responsible for construction shall take into  
13 consideration legislative intent, the objectives of the user  
14 agency and its programs, and the scope and level of the user  
15 agency's intended service and construct the improvement to meet  
16 the objectives of the user agency in the most efficient and  
17 economical manner possible.

18 SECTION 90. With the approval of the governor, designated  
19 expending agencies for capital improvement projects authorized

7 SECTION 91. No appropriation authorized in this Act for  
8 expenditure by a political subdivision of the State shall be  
9 considered to be a mandate to undertake new programs or to  
10 increase the level of services under existing programs of that  
11 political subdivision. If any appropriation authorized in this  
12 Act constitutes such a mandate within the provisions of section  
13 5 of article VIII of the Hawaii State Constitution, the  
14 authorization shall be void and, in the case of capital  
15 improvement appropriations designated to be financed from the  
16 general obligation bond fund, the total general obligation bonds  
17 authorized for those projects shall be correspondingly  
18 decreased.

19 SECTION 92. Whenever the expending agency to which an  
20 appropriation is made is changed due to legislation enacted  
21 during any session of the legislature that affects the

1 appropriations made by this Act, the governor shall transfer the  
2 necessary funds and positions to the proper expending agency as  
3 provided by law.

4 SECTION 93. If the State should assume the direct  
5 operation of any non-governmental agency receiving state funds  
6 under the provisions of this Act, all related state funds shall  
7 constitute a credit to the State against the costs of acquiring  
8 all or any portion of the property, real, personal, or mixed, of  
9 the non-governmental agency. This credit shall be applicable  
10 regardless of when the acquisition takes place.

11 SECTION 94. Where an agency is authorized to secure funds  
12 or other property from private organizations or individuals to  
13 be expended or utilized in connection with any authorized

16 undertaking comply with applicable state constitutional and  
17 statutory requirements; provided further that the governor shall  
18 submit a report to the legislature of all uses of this authority  
19 for the previous twelve month period from December 1 to November  
20 30 no later than thirty days prior to the convening of the  
21 regular sessions of 2020 and 2021.

2 negotiations for the purchase of land by state agencies shall be  
3 subject to the approval of the governor and the department of  
4 land and natural resources or other appropriate agency; provided  
5 that private lands may be acquired for the purpose of exchange  
6 for federal lands when the department of land and natural  
7 resources and the governor determine that the acquisition and  
8 exchange are necessary for the completion of any project  
9 specifically authorized by this Act.

10 SECTION 96. With the approval of the governor, expending  
11 agencies that use appropriations authorized in part II of this  
12 Act for planning, land acquisition, design, construction, and  
13 equipment for repair and alterations may delegate that

1                   PART VI. MISCELLANEOUS AND EFFECTIVE DATE

2           SECTION 97. If any portion of this Act or its application  
3 to any person, entity, or circumstance is held to be invalid for  
4 any reason, the legislature declares that the remainder of the  
5 Act and each and every other provision thereof shall not be  
6 affected thereby. If any portion of a specific appropriation is  
7 held to be invalid for any reason, the remaining portion shall  
8 be expended to fulfill the objective of that appropriation to  
9 the extent possible.

10          SECTION 98. If manifest clerical, typographical, or other

12 authorized to correct the errors.
