9 geographic areas that contain populations or
10 providers presenting a risk of higher than
11 average claims, losses, or health care services
12 utilization;
13 (B) That would exclude providers because the

7 (1) Give written notice to the commission no later than
8 ten business days after the later of the adoption of
9 the uniform standard or the state becoming a
10 compacting state; and

11 (2) Find that the uniform standard does not provide
12 reasonable protections to the citizens of the state,
13 given the conditions in the state. The commissioner
14 shall make specific findings of fact and conclusions
15 of law, based on a preponderance of the evidence,
16 detailing the conditions in the state that warrant a

20 consider and balance the following factors and find

1 that the conditions in the state and needs of the
2 citizens of the state outweigh:

3 (A) The intent of the legislature to participate in,
4 and reap the benefits of, an interstate agreement
5 to establish national uniform consumer
6 protections for the products subject to this
7 article; and

8 (B) The presumption that a uniform standard adopted
9 by the commission provides reasonable protections
10 to consumers of the relevant product.

11 Notwithstanding the foregoing, a compacting state may,
12 at the time of its enactment of this compact,
13 prospectively opt out of all uniform standards
14 involving long-term care insurance products by
15 expressly providing for such opt out in the enacted
16 compact, and such an opt out shall not be treated as a
17 material variance in the offer or acceptance of any
18 state to participate in this compact. An opt out
19 pursuant to this section shall be effective at the
20 time of enactment of this compact by the compacting
21 state and shall apply to all existing uniform

1 standards involving long-term care insurance products
2 and those subsequently adopted [~~7~~ and
