Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

This is to inform you that on June 20, 2019, the following bill was signed into law:

HB1157 HD1 SD2 CD1

RELATING TO POST-SECONDARY EDUCATION  
STUDENT IMMUNIZATIONS.  
**ACT 101 (19)**

Sincerely,

DAVID Y. IGE  
Governor, State of Hawai'i

# A BILL FOR AN ACT

RELATING TO POST-SECONDARY EDUCATION STUDENT IMMUNIZATIONS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that colleges and  
2 universities are increasing the number of courses and programs  
3 offered online. The University of Hawaii offered 1,428 sections  
4 of distance learning in the fall 2018 semester and is preparing  
5 to increase its offering of exclusively online programs.  
6 Because methods of educational delivery are changing, certain  
7 requirements that have been traditionally imposed on students,  
8 such as immunizations, may not always apply in the same manner  
9 as they do for traditional classroom instruction.

10           The legislature further finds that the department of health  
11 is currently proposing changes to title 11, chapter 157, Hawaii  
12 Administrative Rules, relating to examination and immunization.  
13 The proposed changes include an exemption for online and  
14 distance learning for post-secondary schools to be implemented  
15 once the proposed rules are effective, the governor approves  
16 them, and the amended rules have been filed with the lieutenant  
17 governor.

1           The legislature additionally finds that the University of  
2 Hawaii is expanding its online and distance-learning programs  
3 beginning with the fall 2019 semester. However, the proposed  
4 rules may not be adopted in time for fall 2019 classes.  
5 Therefore, students who register exclusively for post-secondary  
6 online and distance-learning programs for fall 2019, or the  
7 preceding online summer college transition course, may still be  
8 subject to the current immunization requirements. The  
9 department of health and University of Hawaii agree that the  
10 rule regarding immunization should be amended to exempt post-  
11 secondary students in online or distance-learning programs who  
12 do not attend classes in person.

13           The purpose of this Act is to allow post-secondary students  
14 who attend classes exclusively online or through distance  
15 learning to be exempt from the requirements of title 11, chapter  
16 157, Hawaii Administrative Rules, under certain conditions.

17           SECTION 2. Students in post-secondary education programs  
18 who are registered to attend classes exclusively online or  
19 through distance learning shall be exempt from the requirements  
20 of title 11, chapter 157, Hawaii Administrative Rules; provided  
21 that if a student needs to go on campus for any reason related

1 to their online or distance learning class, the student shall be  
2 subject to the immunization requirements of title 11, chapter  
3 157, Hawaii Administrative Rules, prior to entering the campus.

4 SECTION 3. This Act shall take effect on July 1, 2019.
