19 "[-]§431:10H-205[+] **Continuation or conversion.** (a)
20 Group long-term care insurance issued in this State beginning

1 July 1, 2000, shall provide covered individuals with a basis for
2 continuation or conversion of coverage.

3 (b) ~~[For purposes of this section, "a basis for~~
4 ~~continuation of coverage" means a policy provision that~~
5 ~~maintains coverage under the existing group policy when the~~
6 ~~coverage would otherwise terminate and which is subject only to~~
7 ~~the continued timely payment of premium when due.]~~ Group
8 policies that restrict provision of benefits and services to, or
9 contain incentives to use, certain providers or facilities may
10 provide continuation benefits that are substantially equivalent
11 to the benefits of the existing group policy. The commissioner
12 shall make a determination as to the substantial equivalency of
13 benefits, and in doing so, shall take into consideration the
14 differences between managed care and non-managed care plans,
15 including but not limited to [7] provider system arrangements,
16 service availability, benefit levels, and administrative
17 complexity.

18 ~~[(c) For purposes of this section, "a basis for conversion~~
19 ~~of coverage" means a policy provision that entitles an~~
20 ~~individual, whose coverage under the group policy would~~
21 ~~otherwise terminate or has been terminated for any reason~~

1 ~~including discontinuance of the group policy in its entirety or~~
2 ~~with respect to an insured class, and who has been continuously~~
3 ~~insured under the group policy or any group policy that it~~
4 ~~replaced for at least six months immediately prior to~~
5 ~~termination shall be entitled to the issuance of a converted~~
6 ~~policy by the insurer under whose group policy the individual is~~
7 ~~covered, without evidence of insurability.~~

8 ~~(d) For purposes of this section, "converted policy" means~~
9 ~~an individual policy of long term care insurance providing~~
10 ~~benefits identical to or benefits determined by the commissioner~~
11 ~~to be substantially equivalent to or in excess of those provided~~
12 ~~under the group policy from which conversion is made.]~~

13 (c) Where the group policy from which conversion is made
14 restricts provision of benefits and services to, or contains
15 incentives to use, certain providers or facilities, the
16 commissioner, in making a determination as to substantial
17 equivalency of benefits, shall take into consideration the
18 differences between managed care and non-managed care plans,
19 including but not limited to[7] provider system arrangements,
20 service availability, benefit levels, and administrative
21 complexity.

1 [~~e~~] (d) Written application for the converted policy
2 shall be made and the first premium, if any, shall be paid as
3 directed by the insurer no later than thirty-one days after
4 termination of coverage under the group policy. The converted
5 policy shall be issued effective on the day following the
6 termination of coverage under the group policy[~~7~~] and shall be
7 renewable annually.

8 [~~f~~] (e) Unless the group policy from which conversion is
9 made replaced previous group policy coverage, the premium for
10 the converted policy shall be calculated on the basis of the
11 insured's age at inception of coverage under the group policy
12 from which conversion is made. Where the group policy from
13 which conversion is made replaced a previous group coverage, the
14 premium for the converted policy shall be calculated on the
15 basis of the insured's age at inception of coverage under the
16 group policy replaced.

17 [~~g~~] (f) Continuation of coverage or issuance of a
18 converted policy shall be mandatory, except where:

19 (1) Termination of group coverage resulted from an
20 individual's failure to make any required payment of
21 premium or contribution when due; or

1 (2) The terminating coverage is replaced not later than
2 thirty-one days after termination by another group
3 coverage [~~effective on the day following the~~

6 coverage;

7 [~~(A)~~] (B) Providing benefits, or benefits determined
8 by the commissioner to be, identical or
9 substantially equivalent to, or in excess of,
10 those provided by the terminating coverage; and

11 [~~(B)~~] (C) The premium for which is calculated in a
12 manner consistent with the requirements of
13 subsection [~~(f)~~] (e).

14 [~~(h)~~] (g) Notwithstanding any other provision of this
15 section, a converted policy issued to an individual who at the
16 time of conversion is covered by another long-term care
17 insurance policy that provides benefits on the basis of incurred
18 expenses[~~7~~] may contain a provision that results in a reduction
19 of benefits payable if the benefits provided under the
20 additional coverage, together with the full benefits provided by
21 the converted policy, would result in payment of more than one

1 hundred per cent of incurred expenses. The provision shall only
2 be included in the converted policy if the converted policy also
3 provides for a premium decrease or refund [~~which~~] that reflects
4 the reduction in benefits payable.

5 [~~(i)~~] (h) The converted policy may provide that the
6 benefits payable under the converted policy, together with the
7 benefits payable under the group policy from which conversion is
8 made, shall not exceed those that would have been payable had
9 the individual's coverage under the group policy remained in
10 force and effect.

11 [~~(j)~~] (i) Notwithstanding any other provision of this
12 section, an insured individual whose eligibility for group long-
13 term care coverage is based upon the individual's relationship
14 to another person shall be entitled to continuation of coverage
15 under the group policy upon termination of the qualifying
16 relationship by death or dissolution of marriage or reciprocal
17 beneficiary relationship.

18 [~~(k)~~] (j) For purposes of this section [~~"managed care~~

1 "A basis for continuation of coverage" means a policy
2 provision that maintains coverage under the existing group
3 policy when the coverage would otherwise terminate and that is
4 subject only to the continued timely payment of premium when
5 due.

6 "A basis for conversion of coverage" means a policy
7 provision that entitles an individual:

- 8 (1) Whose coverage under the group policy would otherwise
9 terminate or has been terminated for any reason,
10 including discontinuance of the group policy in its
11 entirety or with respect to an insured class; and
12 (2) Who has been continuously insured under the group
13 policy or any group policy that it replaced for at
14 least six months immediately prior to termination,
15 to the issuance of a converted policy by the insurer under whose
16 group policy the individual is covered, without evidence of
17 insurability.

18 "Converted policy" means an individual policy of long-term
19 care insurance providing benefits identical to, or benefits
20 determined by the commissioner to be substantially equivalent to
