State Capitol, Room 409

The Honorable Scott K. Saiki  
Speaker of the House of Representatives  
Thirtieth State Legislature  
State Capitol, Room 431  
Honolulu, Hawai’i 96813

Dear President Kouchi and Speaker Saiki:

The Highways Division of the Department of Transportation (DOT) requests approval for a $15 million FY 2019 emergency general fund appropriation for the Highways Administration program (TRN 595). DOT indicates that the general funds are necessary for emergency projects for Pali Highway, due to February 19, 2019 landslide events, the slopes adjacent to the Pali Highway Tunnels and roadway were severely damaged and subsequently closed. On February 21, 2019, extensive heavy rains caused rockfall damage at Honoapiilani Highway, Route 30 on Maui, subsequently closing the highway. The Lieutenant Governor, on behalf of the Governor, signed and issued an emergency proclamation and a supplemental proclamation to cover the affected disaster areas.

This project is necessary to complete debris removal, inspect and assess landslides and rockfall risks, scale slopes, remove additional materials that poses risks, and construct landslide and rockfall protection structures for the public’s safety.

Should you have any questions, please don’t hesitate to contact Ed Sniffen, Deputy Director of Highways Division.

Your consideration of this request is appreciated.

With warmest regards,

David Y. Ige  
Governor, State of Hawai’i

OFFICE OF THE GOVERNOR  
STATE OF HAWA'I  
PROCLAMATION

By the authority vested in me as Governor by the Constitution and laws of the State of Hawai'i, in order to provide relief for disaster damages, losses, and suffering, and to protect the health, safety, and welfare of the people, I, DAVID Y. IGE, Governor of the State of Hawai'i, hereby determine, designate and proclaim as follows:

WHEREAS, Hawai'i has suffered a disaster occurrence of heavy rains beginning February 9, 2019, caused by an unusual low pressure system that has triggered extensive damage to the slopes, adjacent to the Pali Highway, and impacted the communities of the windward side of Oahu and elsewhere by the closure of Pali Highway on February 18, 2019, thereby endangering the health, safety, and welfare of the people of the City and County of Honolulu, State of Hawai'i; and

WHEREAS, this occurrence of a severe, sudden, and extraordinary event of heavy rains has caused damages, losses, and suffering of such character and magnitude to affect the health, welfare, and living conditions of a substantial number of persons, and to affect the economy of the State, and is expected to be of such a nature as to warrant rehabilitative assistance from the State; and

WHEREAS, the Legislature of the State of Hawai'i has appropriated from the general revenues of the State, monies as may be necessary for expenditure by or under the direction of the Governor for the immediate relief of the conditions created by the disaster; and

WHEREAS, in expending such monies, the Governor may allot any portion to any agency, office, or employee of the state or a county for the most expeditious and efficient relief of the conditions created by the disaster; and

WHEREAS, pursuant to section 127A-12(b)(13), Hawaii Revised Statutes, the Governor may require each public utility, or any person owning, controlling, or operating a critical infrastructure facility as identified by the Governor, to protect and safeguard its or the person's property, or to provide for the protection and safeguarding thereof; and provide for the protection and safeguarding of all critical infrastructure and key resources, including the regulation or prohibition of public entry thereon, or the permission of the entry upon such terms and conditions as the Governor may prescribe; and

WHEREAS, pursuant to section 127A-12(a)(5), Hawaii Revised Statutes, the Governor may direct or control, as may be necessary for emergency management alerts, warnings, notifications, and activations; warnings and signals for alerts and any type or warning device, system, or method to be used in connection therewith; partial or full mobilization of personnel in advance of or in response to an actual emergency or disaster; the conduct of civilians and the movement and cessation of movement of

WHEREAS, pursuant to section 127A-12(b)(9), Hawaii Revised Statutes, the
