
A BILL FOR AN ACT

RELATING TO ELECTRONIC SMOKING PRODUCTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that tobacco use is the
2 single most preventable cause of disease, disability, and death
3 in the United States. Tobacco use continues to be a problem in
4 Hawaii, causing approximately one thousand four hundred deaths
5 per year among adults. An estimated twenty-one thousand
6 children in Hawaii currently under the age of eighteen will
7 ultimately die prematurely from smoking. Tobacco use poses a
8 heavy burden on Hawaii's health care system and economy. Each
9 year, smoking costs approximately \$526,000,000 in direct health
10 care expenditures and \$387,300,000 in lost productivity in the
11 State.

12 The legislature further finds that tobacco products are
13 addictive and inherently dangerous, causing many different types
14 of cancer, heart disease, and other serious illnesses. Hawaii
15 has a substantial interest in reducing the number of individuals
16 of all ages who use tobacco products, and a particular interest

1 in protecting adolescents from tobacco dependence and the
2 illnesses and premature death associated with tobacco use.

3 The legislature additionally finds that electronic smoking
4 devices, also known as e-cigarettes, are battery-operated
5 products designed to deliver nicotine, flavor, and other
6 chemicals to the user by turning chemicals including highly
7 addictive nicotine into an aerosol that is inhaled by the user.
8 Consumers may choose from varying strengths of e-liquid nicotine
9 as well as liquids consisting of different flavors.

10 The electronic smoking device industry, including the
11 production of e-liquids, is growing rapidly. On December 18,
12 2018, the United States Surgeon General made the unprecedented
13 move of classifying the danger of youth usage of electronic
14 smoking devices as an epidemic. Since the Surgeon General first
15 issued a warning in 2016 about the dangers of these products,
16 data has shown historic rise in use by youth and young adults.
17 According to the 2016 report from the Surgeon General,
18 e-cigarette use amongst the nation's youth and young adults has
19 become a major public health concern. The Surgeon General's
20 report noted that e-cigarette use has increased considerably in
21 recent years, growing an astounding nine hundred per cent among

1 high school students from 2011 to 2015. In a 2018 study
2 conducted by the National Institute on Drug Abuse, the use of
3 electronic smoking devices among high school seniors increased
4 nationally from 27.8 per cent to 37.3 per cent in a twelve-month
5 period. The increase translates to 1.3 million more teens using
6 electronic smoking devices in a single year. E-cigarette use
7 among youth and young adults is also strongly associated with
8 the use of other tobacco products, including combustible tobacco
9 products. Toxicologists have also warned that e-liquids pose
10 significant risks to public health, particularly to children.
11 According to the Surgeon General's report, if the contents of
12 refill cartridges or bottles are consumed, ingestion of e-
13 liquids containing nicotine can cause acute toxicity and
14 possibly death. The Surgeon General's report also found that
15 there are numerous policies and practices that can be
16 implemented at the state and local levels to address electronic
17 smoking device use among youth and young adults, including
18 preventing access to e-cigarettes by youth, significant
19 increases in tax and price of e-cigarettes, retail licensure,
20 and regulation of e-cigarette marketing.

1 The legislature additionally finds that the rapid growth of
2 the electronic smoking device industry, including retail
3 businesses selling electronic smoking devices or e-liquids,
4 necessitates further regulations to protect consumers, such as
5 requiring retailers of e-liquids to obtain a retail tobacco
6 permit.

7 The legislature notes that the federal Food and Drug
8 Administration recently finalized a rule that expands its
9 regulatory authority to all tobacco products, including
10 electronic smoking devices, cigars, and hookah and pipe tobacco.
11 However, the legislature also notes that there is currently no
12 state tobacco tax attached to e-liquid, even though electronic
13 smoking devices are now regulated as tobacco products.
14 Furthermore, tobacco products other than cigarettes are
15 currently taxed at a lower rate than cigarettes, even though
16 their use carries similar health risks. Research has shown that
17 increasing cigarette prices, such as through cigarette taxes,
18 tends to reduce the rate of smoking by adult and youth smokers.
19 However, the legislature is concerned that as the price of
20 cigarettes increases, smokers may purchase less expensive

1 tobacco products, such as electronic smoking devices or
2 e-liquids.

3 Finally, the legislature concludes that there needs to be a
4 tax on e-liquids and electronic smoking devices containing e-
5 liquid and taxing these products as other tobacco products is
6 the most equitable way to do so. Imposing a tax on e-liquids
7 and electronic smoking devices containing e-liquid will also
8 encourage users of e-liquids to quit, sustain cessation, prevent
9 youth initiation, and reduce consumption among those who
10 continue to use them.

11 The purpose of this Act is to:

- 12 (1) Establish the offense of unlawful shipment of e-liquid
13 products;
- 14 (2) Include e-liquid and electronic smoking devices
15 containing e-liquid within the definition of "tobacco
16 products", as used in the cigarette tax and tobacco
17 tax law, thereby:
- 18 (A) Subjecting e-liquid and electronic smoking
19 devices containing e-liquid to the excise tax on
20 tobacco products;

- 1 (B) Requiring retailers of e-liquid to obtain a
- 2 retail tobacco permit to sell, possess, keep,
- 3 acquire, distribute, or transport e-liquid;
- 4 (C) Prohibiting persons from engaging in the business
- 5 of a wholesaler or dealer of e-liquid without
- 6 first obtaining a license from the department of
- 7 taxation; and
- 8 (D) Applying other requirements of chapter 245,
- 9 Hawaii Revised Statutes;
- 10 (3) Increase the license fee for persons engaged as a
- 11 wholesaler or dealer of cigarettes and tobacco
- 12 products;
- 13 (4) Increase the retail tobacco permit fee for retailers
- 14 engaged in the retail sale of cigarettes and tobacco
- 15 products;
- 16 (5) Fund health education and prevention programs about
- 17 the risks and dangers of the use of electronic smoking
- 18 devices for youth; and
- 19 (6) Repeal various statutory provisions relating to
- 20 electronic smoking devices.

1 SECTION 2. Chapter 245, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§245- Unlawful shipment of e-liquid products; penalty;
5 reports; liability for unpaid taxes. (a) A person commits the
6 offense of unlawful shipment of e-liquid products if the person:

7 (1) Is engaged in the business of selling e-liquid
8 products; and

9 (2) Ships or causes to be shipped any e-liquid products to
10 a person or entity in this State that is not a

12 (b) This section shall not apply to the shipment of
13 e-liquid products if any of the following conditions is met:

14 (1) The e-liquid products are exempt from taxes as
15 provided by section 245-3(b) or are otherwise exempt
16 from the applicability of this chapter as provided by
17 section 245-62; or

18 (2) All applicable Hawaii taxes on the e-liquid products
19 are paid in accordance with the requirements of this
20 chapter.

1 (c) Unlawful shipment of e-liquid products is a class C
2 felony if the person or entity knowingly ships or causes to be
3 shipped e-liquid products with a value of \$10,000 or more in
4 violation of subsection (a).

5 (d) Unlawful shipment of e-liquid products is a
6 misdemeanor if the person or entity knowingly ships or causes to
7 be shipped e-liquid products with a value of less than \$10,000
8 in violation of subsection (a).

9 (e) For the purposes of this section, a person is a
10 licensee if the person or entity's name appears on a list of
11 authorized licensees published by the department.

12 (f) Notwithstanding the existence of other remedies at
13 law, any person that purchases, uses, controls, or possesses any
14 e-liquid products for which the applicable taxes imposed under
15 title 14 have not been paid, shall be liable for the applicable
16 taxes, plus any penalty and interest as provided for by law.

17 (g) For the purpose of this section:

18 "E-liquid products" means e-liquid, electronic smoking
19 devices containing e-liquid, or component parts containing e-
20 liquid.

1 "Person" shall not be limited to individuals pursuant to
2 section 1-19.

3 "Value" means the fair market value at the time of the
4 offense."

5 SECTION 3. Section 245-1, Hawaii Revised Statutes, is
6 amended as follows:

7 1. By adding three new definitions to be appropriately
8 inserted and to read:

9 "E-liquid" means any liquid or like substance, which may
10 or may not contain nicotine, that is designed or intended to be
11 used in an electronic smoking device, whether or not packaged in
12 a cartridge or other container. E-liquid shall not include
13 prescription drugs; medical cannabis or manufactured cannabis
14 products under chapter 329D; or medical devices used to
15 aerosolize, inhale, or ingest prescription drugs, including
16 manufactured cannabis products manufactured or distributed in
17 accordance with section 329D-10(a).

18 "Electronic smoking device" means any electronic product,
19 or part thereof, that can be used by a person to simulate
20 smoking in the delivery of nicotine or any other substance,

8 or similar substance intended for human consumption, including
9 the use of an electronic smoking device that creates an aerosol
10 or vapor, in any manner or in any form."

11 2. By amending the definition of "tobacco products" to
12 read:

13 "Tobacco products" means [~~tobacco~~]:

14 (1) Tobacco in any form, other than cigarettes or little
15 cigars [~~, that is prepared or intended for consumption~~
16 ~~or for personal use by humans, including large cigars~~
17 ~~and any substitutes thereof other than cigarettes that~~

13 required by rule of the department, and the payment of a fee of

19 department upon application by the retailer in the form and
20 manner prescribed by the department, and the payment of a fee of
21 [~~\$20~~] \$50. Permits shall be valid for one year, from December

1 1 to November 30, and renewable annually. Whenever a retail
2 tobacco permit is defaced, destroyed, or lost, or the permittee
3 relocates the permittee's business, the department may issue a
4 duplicate retail tobacco permit to the permittee for a fee of \$5
5 per copy.

6 (d) A separate retail tobacco permit shall be obtained for
7 each place of business owned, controlled, or operated by a
