
A BILL FOR AN ACT

RELATING TO FIREARMS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Hawaii has one of
2 the most stringent license to carry firearms laws in the nation.
3 However, Hawaii's law has come under scrutiny by a recent
4 federal appeals court decision. While this decision is
5 currently under review, it has highlighted a concern in the
6 application of Hawaii's law.

7 This concern involves the approval of licenses to carry
8 firearms. Hawaii's law grants some latitude to the county
9 chiefs of police with respect to the approval of these licenses.
10 Additionally, a license to carry a firearm is only valid within
11 the county in which the license is granted. This latitude may
12 create a situation in which each county uses differing standards
13 for the granting of licenses to carry firearms within that
14 respective county. As licenses to carry firearms are not valid
15 statewide, there is no single statewide authority that oversees
16 the granting of these licenses.

1 The legislature believes that addressing this lack of
2 statewide oversight by authorizing the attorney general to grant
3 licenses at the state level would help to strengthen Hawaii's
4 license-to-carry-firearms law. Establishing a state-level
5 authority would also result in a consistent standard that
6 applies to all applicants and provide a mechanism for these
7 licenses to be valid statewide. However, licenses granted by
8 the respective county chiefs of police to applicants who are
9 employed by a private guard agency would continue to be valid
10 only within the county that granted the license.

11 Accordingly, the purpose of this Act is to:

12 (1) Establish the state attorney general's authority to
13 grant, in exceptional cases, licenses to carry
14 concealed or unconcealed firearms;

15 (2) Clarify that the authority of the respective county
16 chiefs of police to grant licenses to carry
17 unconcealed firearms is limited to applicants who are
18 engaged in the protection of life and property while
19 employed and on duty with a guard agency and who are
20 in compliance with the requirements of section
21 463-10.5, Hawaii Revised Statutes;

- 1 (3) Specify the training requirements for license
- 2 applicants; and
- 3 (4) Amend the fee from a per-license to a per-application
- 4 basis, and increase the fee to more accurately reflect
- 5 the time and resources spent on application
- 6 processing.

7 SECTION 2. Section 134-9, Hawaii Revised Statutes, is
8 amended to read as follows:

9 "**§134-9 Licenses to carry.** (a) In an exceptional case,
10 when an applicant shows reason to fear injury to the applicant's
11 person or property, and is not prohibited under section 134-7
12 from the ownership or possession of a firearm, the [~~chief of~~
13 ~~police of the appropriate county~~] attorney general may grant a
14 license to an applicant who is a citizen of the United States of
15 the age of twenty-one years or more or to a duly accredited
16 official representative of a foreign nation of the age of
17 twenty-one years or more to carry a pistol or revolver and
18 ammunition therefor concealed or unconcealed on the person
19 within the [~~county where the license is granted.~~] State.

20 (b) Where the urgency or the need has been sufficiently
21 indicated, the respective chief of police may grant to an

1 applicant of good moral character who is a citizen of the United
2 States of the age of twenty-one years or more, is engaged in the
3 protection of life and property^[7] while employed and on duty
4 with a guard agency as defined in section 463-1, is in
5 compliance with the requirements of section 463-10.5, and is not
6 prohibited under section 134-7 from the ownership or possession
7 of a firearm, a license to carry a pistol or revolver and
8 ammunition therefor unconcealed on the person within the county
9 where the license is granted.

10 (c) The chief of police of the appropriate county, the
11 attorney general, or the chief's or attorney general's
12 designated representative, shall perform an inquiry on an
13 applicant by using the National Instant Criminal Background
14 Check System, to include a check of the Immigration and Customs
15 Enforcement databases where the applicant is not a citizen of
16 the United States, before any determination to grant a license
17 is made. Unless renewed, the license shall expire one year from
18 the date of issue.

19 ~~(b)~~ (d) The chief of police of each county and the
20 attorney general shall adopt procedures to require that any

1 person granted a license to carry a concealed or unconcealed
2 weapon on the person shall:

3 (1) Be qualified to use the firearm in a safe manner[+] by
4 having completed, no more than one hundred eighty days
5 prior to applying for a license, a firearms safety or
6 training course that is described in section
7 134-2(g) (2), (3), or (4);

8 (2) Appear to be a suitable person to be so licensed;

9 (3) Not be prohibited under section 134-7 from the
10 ownership or possession of a firearm; and

11 (4) Not have been adjudged insane or not appear to be
12 mentally deranged.

13 [~~e~~] (e) No person shall carry concealed or unconcealed
14 on the person a pistol or revolver without being licensed to do
15 so under this section or in compliance with sections 134-5(c) or
16 134-25.

17 [~~d~~] (f) A fee of [~~\$10~~] \$100 shall be charged for each
18 license application and shall be deposited in the treasury of
19 the [~~county in which the license is granted.~~] State."
