
A BILL FOR AN ACT

RELATING TO COFFEE BERRY BORER.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Act 105, Session Laws of Hawaii 2014 (Act 105),
2 established a pesticide subsidy program in the department of
3 agriculture for five years to assist coffee growers with
4 offsetting the costs of purchasing certain pesticides known to
5 be effective against the coffee berry borer, a highly
6 destructive coffee pest that has infested coffee crops on Hawaii
7 island and more recently has been detected on Oahu and Maui.

8 Act 152, Session Laws of Hawaii 2015, established a
9 pesticide subsidy program manager position as a full-time,
10 temporary position exempt from chapters 76 and 89, Hawaii
11 Revised Statutes, and appropriated moneys from the pesticide use
12 revolving fund for the position for fiscal years 2015-2016 and
13 2016-2017. Section 76-16(b)(17), Hawaii Revised Statutes,
14 provides that any exemption created after July 1, 2014, shall
15 expire three years after its enactment unless affirmatively
16 extended by an act of the legislature. Pursuant to section 76-
17 16(b)(17), the exemption from civil service of the pesticide

1 subsidy program manager position expired on June 30, 2018, three
2 years after it was created by Act 152, Session Laws of Hawaii
3 2015.

4 Because it took longer than anticipated for Act 105 to be
5 implemented, Act 65, Session Laws of Hawaii 2017 (Act 65),
6 extended the pesticide subsidy program from its original sunset
7 date of June 30, 2019, to a new sunset date of June 30, 2021, to
8 assist coffee growers for the number of years intended when Act
9 105 was enacted. However, Act 65 did not extend the civil
10 service and collective bargaining laws exemption of the
11 pesticide subsidy program manager position.

12 Pursuant to section 3(c) of Act 105, an application for a
13 subsidy for pesticide purchases made in a fiscal year must be
14 filed in the immediately following fiscal year. For pesticide
15 purchases made in the last fiscal year of the program, from July
16 1, 2020, to June 30, 2021, applications for subsidies must be
17 filed in the immediately following fiscal year, anytime from
18 July 1, 2021, to June 30, 2022. The manager position will be
19 needed to process these applications for subsidies for costs
20 incurred in the final year of the program. Accordingly, Act 32,
21 Session Laws of Hawaii 2018, extended the pesticide subsidy

H.B. NO. 1861

1 program manager position, including the position's civil service
2 and collective bargaining laws exemption, until June 30, 2022.

3 The purpose of this Act is to extend the pesticide subsidy
4 program by three years, to June 30, 2025; extend the pesticide
5 subsidy program manager position, including the position's civil
6 service and collective bargaining laws exemption, until the year
7 after the program sunsets, specifically, June 30, 2026; and make
8 appropriations for the program and program manager position for
9 fiscal year 2020-2021.

10 SECTION 2. Act 105, Session Laws of Hawaii 2014, as
11 amended by section 1 of Act 152, Session Laws of Hawaii 2015, as
12 amended by section 2 of Act 65, Session Laws of Hawaii 2017, as
13 amended by section 2 of Act 32, Session Laws of Hawaii 2018, as
