
A BILL FOR AN ACT

RELATING TO CHILD ABUSE REPORTING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that in 2017, the child
2 welfare services branch of the State's department of human
3 services received 3,702 reports of child abuse. More than half
4 of these reports were made by mandated reporters working in
5 fields such as medicine, law enforcement, and social services.
6 Unfortunately, despite the extent of reporting that does occur,
7 many other instances of child abuse go unreported.

8 The legislature further finds that Hawaii is one of only a
9 handful of states that do not include members of the clergy as
10 mandatory reporters of child abuse and neglect. Additionally,
11 sexual exploitation of children occurs online, making it easier
12 for some predators to avoid detection and arrest. By requiring
13 commercial computer technicians and commercial film and
14 photographic print or image processors to report computer files
15 containing child pornography to law enforcement, the State can
16 protect more children from exploitation and abuse.

1 The purpose of this Act is to update Hawaii's child abuse
2 and neglect mandated reporting law by adding members of the
3 clergy, commercial computer technicians, commercial film and
4 photographic print or image processors, and administrators and
5 employees of any public or private organization whose duties
6 require direct contact with or supervision of children, to the
7 categories of persons who are required to report, based on
8 California's Child Abuse and Neglect Reporting Act.

9 SECTION 2. Section 350-1.1, Hawaii Revised Statutes, is
10 amended to read as follows:

11 "**§350-1.1 Reports.** (a) Notwithstanding any other state
12 law concerning confidentiality to the contrary, the following
13 persons who, in their professional or official capacity, have
14 reason to believe that child abuse or neglect has occurred or
15 that there exists a substantial risk that child abuse or neglect
16 may occur in the reasonably foreseeable future, shall
17 immediately report the matter orally to the department or to the
18 police department:

9 provided further that nothing in this section shall be
10 construed to modify or limit a clergy member's duty to
11 report known or suspected child abuse or neglect when
12 the clergy member is acting in some other capacity
13 that would otherwise make the clergy member a mandated
14 reporter; and
- 15 (11) Administrators and employees of any public or private
16 organization whose duties require direct contact with
17 or supervision of children; provided that this
18 subsection shall not apply to an attorney that has an

21 investigation of the child abuse or neglect ~~[]~~;

1 (3) This subsection shall not be construed to serve as a
2 cause of action against the department, the police, or
3 the department of public safety[-]; and

4 (4) Before January 1, 2021, and through and including
5 December 31, 2020, a member of the clergy, or a
6 custodian of records therefor, may report to the
7 department that the clergy member or custodian of
8 records, in the person's professional capacity or
9 within the scope of the person's employment other than
10 during a penitential communication, had acquired
11 knowledge or had a reasonable suspicion that a child
12 was a victim of abuse or neglect and that the clergy
13 member or custodian of records did not previously
14 report the abuse. A person who makes a report
15 pursuant to this paragraph shall not be subject to the
16 penalty for nonreporting under subsection 350-1.2.
17 This paragraph shall apply regardless of whether the

 6 submitted pursuant to subsection (c) [-]; provided that:

7 (1) A commercial film and photographic print or image
 8 processor who has knowledge of or who observes, within
 9 the scope of the processor's professional capacity or
 10 employment, any film, photograph, videotape, negative,

 18 engaged in an act of sexual conduct, shall immediately
 19 or as soon as practicable, telephonically report the
 20 instance of suspected abuse to the police department
 21 of the county in which the images are seen. Within

1 thirty-six hours of becoming aware of the suspected

6 or who observes, within the scope of the technician's

2 with a brief description of the images or materials.
3 An employer of a commercial computer technician may
4 establish internal procedures for facilitating

6 section. These procedures may direct employees who
7 are mandated reporters under this section to transmit
8 their reports to an employee who is designated by the
9 employer to receive these reports. A commercial

11 designated employee in accordance with an
12 employer-established procedure shall be deemed to have
13 complied with the requirements of this section.

14 (e) The director may adopt, amend, or repeal rules,
15 subject to chapter 91, to further define or clarify the specific
16 forms of child abuse or neglect enumerated in section 350-1 for
17 use in implementing this chapter; provided that rules adopted
18 under this subsection shall be limited to such further or
19 clarifying definitions.

20 (f) All employers of persons subject to subsection (a)
21 shall provide statements to mandated reporters upon their hiring

1 and before the start date of their employment. The statements
