A BILL FOR AN ACT

MAKING AN APPROPRIATION TO THE HURRICANE RESERVE TRUST FUND.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. The legislature finds that the State is experiencing one of the most challenging climate periods in its history. During the last several years, extreme tropical storms and hurricanes have travelled throughout the State and its surrounding waters.

One of the lessons learned from this experience is the necessity of having sufficient fiscal reserves to help carry the State through its worst conditions. Now that the economy is healthy, and more revenues are available, a concerted effort must be made to recapitalize the State's fiscal reserves as expeditiously as possible.
The purpose of this Act is to recapitalize the hurricane reserve trust fund by appropriating general funds to the trust fund.

SECTION 2. There is appropriated out of the general revenues of the State of Hawaii the sum of $25,000,000 or so much thereof as may be necessary for fiscal year 2020-2021 to be deposited into the hurricane reserve trust fund established in section 431P-16, Hawaii Revised Statutes.

The sum appropriated shall be expended by the department of commerce and consumer affairs for the purposes of this Act.

SECTION 3. This Act shall take effect on July 1, 2020.
