REQUESTING THE COLLECTION OF SEXUAL ORIENTATION AND GENDER
IDENTITY INFORMATION BY THE DEPARTMENT OF HEALTH VIA THE
BEHAVIORAL RISK FACTOR SURVEILLANCE SYSTEM, AND BY THE
DEPARTMENT OF EDUCATION VIA THE YOUTH RISK BEHAVIOR
SURVEILLANCE SYSTEM.

WHEREAS, major mental and physical health care professional
associations recognize that being lesbian, gay, bisexual,
transgender, queer, or questioning is part of the natural
variation that occurs in sexual orientation and gender identity; and

WHEREAS, the Department of Health published reports in 2018
and 2019 highlighting issues facing lesbian, gay, bisexual,
transgender, queer, or questioning children and youth, including
higher rates of isolation, depression, suicidal ideations or
attempts, substance use and misuse, homelessness, and sexual and
intimate partner violence in Hawaii; and

WHEREAS, preliminary data collection efforts indicate a
significant population of indigenous lesbian, gay, bisexual,
transgender, queer, or questioning persons; and

WHEREAS, the government's failure to accurately collect and
consider demographic data on sexual orientation and gender
identity creates an unnecessary barrier to addressing the needs
of gay, bisexual, transgender, queer, or questioning youth; and

WHEREAS, the State of Hawaii relies on the Behavioral Risk
Factor Surveillance System as a critical resource for monitoring
the health of Hawaii's adult population; and

WHEREAS, the Youth Risk Behavior Surveillance System is a
joint effort by the Department of Health and Department of
Education to monitor the health of Hawaii's youth population;
now, therefore,

BE IT RESOLVED by the House of Representatives of the
Thirty-first Legislature of the State of Hawaii, Regular Session of
2020, the Senate concurring, that the Department of Health is
requested to administer the Behavioral Risk Factor Surveillance
System to collect information on the sexual orientation and
gender identity of respondents; and

BE IT FURTHER RESOLVED that the Department of Health is
requested to include the questions related to sexual orientation
and gender identity of respondents in the Behavioral Risk Factor
Surveillance System questionnaire, and, if necessary, develop
and include its own questions related to the sexual orientation
and gender identity; and

BE IT FURTHER RESOLVED that the Department of Health is
requested to give preference to and include any modules or
questions approved by the United States Centers for Disease
Control and Prevention in its administration of the Behavioral
Risk Factor Surveillance System; and

BE IT FURTHER RESOLVED that the Department of Health is
requested to publish a detailed annual report on the results of
the Behavioral Risk Factor Surveillance System; and

BE IT FURTHER RESOLVED that the Department of Health is
requested to also annually publish a comprehensive report on the
health of Hawaii's lesbian, gay, bisexual, transgender, queer,
or questioning community, including a comparison of the
prevalence of health-related risk behaviors, chronic health
conditions, and use of preventive services among the lesbian,
gay, bisexual, transgender, queer, or questioning population
with the general population, and, where possible, sub-
populations of the lesbian, gay, bisexual, transgender, queer,
or questioning population; and

BE IT FURTHER RESOLVED that every three years, the
Department of Health is requested to include in its
comprehensive report the data collected from the Behavioral Risk
BE IT FURTHER RESOLVED that the Department of Health is requested to post all reports requested by this measure on its website; and

BE IT FURTHER RESOLVED that the Department of Education is requested to administer the Youth Risk Behavior Surveillance System to collect information on the sexual orientation and gender identity of students in the public schools and charter schools and transmit that information to the Department of Health; and

BE IT FURTHER RESOLVED that the Department of Education is requested not to pass any costs associated with administering the Youth Risk Behavior Surveillance System to any public school or charter school; and

BE IT FURTHER RESOLVED that certified copies of this Resolution be transmitted to the Governor, Director of Health, Chairperson of the Board of Education, and Superintendent of Education.
