HOUSE CONCURRENT RESOLUTION

WHEREAS, Dillingham Airfield consists of 272 acres within the Dillingham Military Reservation; and

WHEREAS, currently, Dillingham Airfield is operated by the Hawaii Department of Transportation under a five-year lease from the United States Army; and

WHEREAS, the Hawaii Department of Transportation decided that it is not in the state's best interest to continue leasing Dillingham Airfield and the lease will conclude on June 30, 2020 unless action is taken; and

WHEREAS, ending this lease will have negative effects on local businesses that are tenants of Dillingham Airfield because airfield management will be returned to the United States Army and all for profit commercial activity will likely cease; and

WHEREAS, the existence of short-term leases of Dillingham Airfield has burdened the tenants and the Hawaii Department of Transportation's ability to operate and maintain the airfield due to uncertainty of the future; and

WHEREAS, Dillingham Airfield is important to the community as a center for aviation training, youth programs, and small businesses; and

WHEREAS, investment in the airfield such as maintenance and construction of buildings has grown increasingly difficult to achieve with the restrictively short leases that have been offered by the United States Army to the Hawaii Department of Transportation; and
