A BILL FOR AN ACT

RELATING TO ECONOMIC DEVELOPMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAI'I:

SECTION 1. The legislature finds that on November 1, 1972, business leaders of Hawaii and Japan met in Honolulu to establish the Japan-Hawaii economic council. Their primary motivations were to further economic relations between Japan and the United States and to recognize Hawaii's important role in that regard. For nearly thirty years, hundreds of business and government leaders from Japan and Hawaii met at annual meetings, alternating between Hawaii and Japan, to discuss and improve business, tourism, investment, education, and other mutually beneficial interests. These meetings improved relations, increased cultural understanding, reduced trade restrictions, and improved the economies of Japan and the United States, particularly Hawaii.

The legislature finds that relations between China and Hawaii today are similar to those that began to develop between Japan and Hawaii in the 1960s and 1970s. The legislature further finds that establishment of a similar China-Hawaii
economic council will provide an invaluable opportunity to
further economic relations between Hawaii and China, including
providing a better understanding of cultural differences,
facilitating investment, increasing tourism, and promoting
trade.

The purpose of this Act is to establish the China-Hawaii
economic council to further economic relations between China and
Hawaii.

SECTION 2. Chapter 201, Hawaii Revised Statutes, is
amended by adding a new section to be appropriately designated

an annual report to the legislature no later than twenty days
prior to the convening of the 2022, 2023, and 2024 regular

council's progress in conducting the inaugural China-Hawaii
economic council general meeting.

SECTION 4. There is appropriated out of the general
revenues of the State of Hawaii the sum of $ or so much
thereof as may be necessary for fiscal year 2019-2020 and the
same sum or so much thereof as may be necessary for fiscal year
2020-2021 for the China-Hawaii economic council.
