

JAN 17 2020

A BILL FOR AN ACT

RELATING TO RENEWABLE ENERGY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 196, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§196- Solar energy devices installation; parking
5 spaces. Beginning July 1, 2020, no permit shall be issued for a
6 new parking lot or structure that does not include installation
7 of solar energy devices over parking spaces to the maximum
8 extent practicable. As used in this section, "solar energy
9 device" means any new identifiable facility, equipment,
10 apparatus, or the like which makes use of solar energy for
11 heating, cooling, or reducing the use of other types of energy
12 dependent upon fossil fuel for its generation."

13 SECTION 2. Section 291-71, Hawaii Revised Statutes, is
14 amended by amending subsection (a) to read as follows:

15 "(a) Places of public accommodation with [~~at least one~~
16 ~~hundred~~] parking spaces available for use by the general public
17 shall have at least [~~one~~] ten per cent of parking [space] spaces

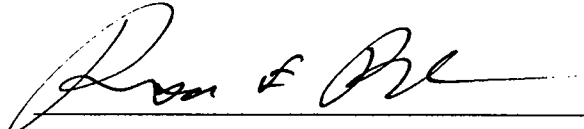

S.B. NO. 2447

1 by July 1, 2020, fifty per cent of parking spaces by July 1,
 2 2025, and seventy-five per cent of parking spaces by July 1,
 3 2030, exclusively for electric vehicles and equipped with an
 4 electric vehicle charging system [~~located anywhere in the~~
 5 ~~parking structure or lot by July 1, 2012~~]; provided that no
 6 parking space designated for electric vehicles shall displace or
 7 reduce accessible stalls required by the Americans with
 8 Disabilities Act Accessibility Guidelines. Spaces shall be
 9 designated, clearly marked, and the exclusive designation
 10 enforced. [~~Owners of multiple parking facilities within the~~
 11 ~~State may designate and electrify fewer parking spaces than~~
 12 ~~required in one or more of their owned properties; provided that~~
 13 ~~the scheduled requirement is met for the total number of~~
 14 ~~aggregate spaces on all of their owned properties.] "~~

15 SECTION 3. Statutory material to be repealed is bracketed
 16 and stricken. New statutory material is underscored.

17 SECTION 4. This Act shall take effect upon its approval.

S.B. NO. 2447

Report Title:

Electric Vehicle Charging Stations; Solar Energy Device
Installation; Parking Spaces

Description:

Requires new parking lots and structures to install solar energy devices over as many parking spaces as practicable. Requires places of public accommodation to have at least ten per cent of parking spaces by July 1, 2020, fifty per cent of parking spaces by July 1, 2025, and seventy-five per cent of parking spaces by July 1, 2030, exclusively for electric vehicles and equipped with an electric vehicle charging system.
