# A BILL FOR AN ACT

RELATING TO PROCUREMENT.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that projects can be  
2 delivered in a more efficient manner by increasing the effective  
3 use of state resources. The purpose of this Act is to promote  
4 procurement efficiency, program success, and government  
5 accountability by:

6           (1) Requiring the state procurement office and the public  
7 works division of the department of accounting and  
8 general services to develop a ten-year pilot program  
9 to enable innovative methods of procurement; and

10          (2) Establishing and funding an exempt innovative project  
11 delivery coordinator position within the state  
12 procurement office.

13          SECTION 2. No later than January 1, 2021, the state  
14 procurement office and the public works division of the  
15 department of accounting and general services shall develop a  
16 ten-year pilot program to enable innovative methods of  
17 procurement. The pilot program shall be created within the

1 public works division. The pilot program shall offer advisory,  
2 governance, and management services to agencies in their efforts  
3 to engage in innovative procurement. The pilot program shall  
4 include but not be limited to:

- 5 (1) Value for money propositions for each authorized  
6 innovative project;
- 7 (2) Rules and guidance for innovative project delivery;
- 8 (3) Post-award contract management of innovative projects,  
9 including a recommended time and performance schedule;
- 10 (4) Negotiations and strategic planning of innovative  
11 projects;
- 12 (5) Proposed legislation that promotes efficiencies of  
13 innovative projects and general construction  
14 procurement;
- 15 (6) Written testimony to the legislature on construction  
16 bills;
- 17 (7) Construction procurement guidance through procurement  
18 circulars and the State's procurement manual;
- 19 (8) Construction and innovative project delivery training;
- 20 (9) Construction seminars;

1           (10) Facilitated conversations between agencies and  
2           departments with an effort to create a more consistent  
3           method of soliciting and managing construction and  
4           innovative delivery projects;

5           (11) Review of construction solicitations and change orders  
6           and investigations; and

7           (12) Research and implementation of efficient information  
8           systems to allow for reduction of manual processes,  
9           both at the solicitation and post-award stages.

10           SECTION 3. There is established in the state procurement  
11 office one full-time equivalent (1.00 FTE) innovative project  
12 delivery coordinator position, who shall be exempt from the  
13 provisions of chapter 76, Hawaii Revised Statutes, for the  
14 duration of the pilot program.

15           SECTION 4. The state procurement office and the public  
16 works division of the department of accounting and general  
17 services shall submit a report of its findings and  
18 recommendations, including any proposed legislation, to the  
19 legislature no later than twenty days prior to the convening of  
20 the regular sessions of 2022, 2024, 2026, 2028, and 2030.

1 SECTION 5. There is appropriated out of the general  
2 revenues of the State of Hawaii the sum of \$85,000 or so much  
3 thereof as may be necessary for fiscal year 2020-2021 for one  
4 full-time equivalent (1.0 FTE) innovative project delivery  
5 coordinator position within the state procurement office.

6 The sum appropriated shall be expended by the department of  
7 accounting and general services for the purposes of this Act.

8 SECTION 6. This Act shall take effect on July 1, 2020, and  
9 shall be repealed on July 1, 2030.
