BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. Section 323B-3, Hawaii Revised Statutes, is amended by amending subsection (a) to read as follows:

"(a) [Notwithstanding] Except as prohibited by section 577-29(f), and notwithstanding any other law to the contrary, any use or disclosure of individually identifiable health information by any covered entity or business associate that is permitted by title 45 Code of Federal Regulations part 164, subpart E, shall be deemed to comply with all state laws relating to the use, disclosure, or confidentiality of such information."

SECTION 2. Section 577-29, Hawaii Revised Statutes, is amended to read as follows:

"§577-29 Mental health services relating to minors; diagnosis, counseling, and related activities. (a)
Notwithstanding any other law to the contrary, a minor who is fourteen years of age or older may consent to mental health treatment or counseling services provided by a licensed mental
health professional if, in the opinion of the licensed mental health professional, the minor is mature enough to participate intelligently in the mental health treatment or counseling services; provided that the consent of the minor's parent or legal guardian shall be required to prescribe medication to the minor or to place the minor into an out-of-home or residential treatment program.

(b) The mental health treatment or counseling services provided to a minor as authorized by this section shall include involvement of the minor's parent or legal guardian, unless the licensed mental health professional, after consulting with the minor, determines that the involvement would be inappropriate. The licensed mental health professional shall state in the client record whether and when the treating clinician attempted to contact the minor's parent or legal guardian, and whether the attempt to contact was successful or unsuccessful, or the reason why, in the treating licensed mental health professional's opinion, it would be inappropriate to contact the minor's parent or guardian.

(c) A minor may not abrogate consent provided by a parent or legal guardian on the minor's behalf. A parent or legal
guardian may not abrogate consent given by the minor on the
minor's own behalf.

(d) If a minor consents to receive mental health treatment
or counseling services pursuant to this section, the minor shall
not be liable for payment.

(e) The minor and the minor's parent or legal guardian
are not liable for out-of-pocket payments for
mental health treatment or counseling services provided pursuant
to this section unless the parent or guardian participates in
the mental health treatment or counseling services, and then
only for services rendered with the participation of the parent
or guardian.

(f) A covered entity shall not disclose to the minor's
parent or legal guardian who is a policyholder or other covered
person any billing information, including payments made by the
covered entity for mental health treatment or counseling
services provided pursuant to this section if the minor received
the services without the consent or participation of the minor's
parent or legal guardian.
