SENATE CONCURRENT
RESOLUTION

REQUESTING THE ATTORNEY GENERAL TO CONVENE A TASK FORCE TO STUDY
THE REPORTING, PROSECUTION, AND CONVICTION RATE OF HATE
CRIMES IN THE STATE.

WHEREAS, hate crimes are defined as any criminal act in
which the perpetrator intentionally selected a victim because of
hostility toward the actual or perceived race, religion,
disability, ethnicity, national origin, gender identity or
expression, or sexual orientation of any person; and

WHEREAS, the Department of the Attorney General is
responsible for the collection, storage, dissemination, and
analysis of all hate crime data from all agencies that have
primary investigative, action, or program responsibility for
adult or juvenile offenses, including the county police
departments, the county prosecutors, the family courts, and the
departments or agencies responsible for administering any
correctional facilities; and

WHEREAS, the Department of the Attorney General currently
only includes data based on convictions in its annual report of
hate crime data submitted to the Governor, Judiciary, Department
of Public Safety, and Legislature; and

WHEREAS, based on this rendering of statistics, only two
hate crimes were reported for the State in the most recent
annual report; and

WHEREAS, hate crime data acquired by the county police
departments indicates that the number of crimes initially
flagged as hate crimes greatly exceeds the number reported by
the Attorney General; and

WHEREAS, there appears to be a disconnect between the
number of crimes initially reported as hate crimes and those
that are eventually included in the Attorney General's report; now, therefore,

BE IT RESOLVED by the Senate of the Thirtieth Legislature of the State of Hawaii, Regular Session of 2020, the House of Representatives concurring, that the Attorney General is requested to convene a task force to study the progression of hate crime investigations and prosecutions from the initial police report to the closing of the case; and

BE IT FURTHER RESOLVED that the task force is requested to make recommendations on improvements to be made in the prosecution and comprehensive reporting of hate crimes; and

BE IT FURTHER RESOLVED that the task force membership is requested to include a representative of the Department of the Attorney General, a representative of each county police department, a representative of each county office of the prosecuting attorney, and four representatives from agencies that have investigative, detention, custodial, adjudicative, or program responsibility for adult or juvenile offenses; and

BE IT FURTHER RESOLVED that the task force is requested to submit a report of its findings and recommendations, including any proposed legislation, to the Legislature no later than forty days prior to the convening of the Regular Session of 2021; and

BE IT FURTHER RESOLVED that certified copies of this Concurrent Resolution be transmitted to the Governor, Attorney General, Prosecuting Attorney of each county, and Chief of Police of each county.
