1 PART V. ISSUANCE OF BONDS

2 SECTION 8. General obligation bonds may be issued, as
3 provided by law, to yield the amount that may be necessary to
4 finance projects authorized in Part II and listed in Part IV of
5 this Act; provided that the sum total of the general obligation
6 bonds so issued shall not exceed \$40,621,000.

7 PART VI. SPECIAL PROVISIONS

8 SECTION 9. Any law or any provision of this Act to the
9 contrary notwithstanding, the appropriations made for capital
10 improvement projects authorized in Part II and listed in Part IV
11 of this Act shall not lapse at the end of the fiscal year for
12 which the appropriations are made; provided that all
13 appropriations made for fiscal year 2021-2022 and fiscal year
14 2022-2023 that are unencumbered as of June 30, 2024, shall lapse
15 as of that date.

16 SECTION 10. The judiciary may delegate to other state or
17 county agencies the planning, acquisition of land, design,
18 construction, and equipment of any capital improvement project
19 when it is determined by the judiciary to be advantageous to do
20 so.

21 SECTION 11. All unrequired balances in the general
22 obligation bond fund, after the objectives of Part II

1 appropriations for capital improvements program purposes listed
2 as projects in Part IV of this Act have been met, shall be
3 transferred to the judiciary project adjustment fund.

4 SECTION 12. If the amount allocated from the general
5 obligation bond fund for a capital improvement project listed in
6 Part IV of this Act is insufficient, the chief justice may make
7 supplemental allotments from the project adjustment fund;
8 provided that supplemental allotments shall not be used to
9 increase the scope of the project.

10 SECTION 13. Where it has been determined that changed
11 conditions, such as a reduction in the particular population
12 being served, permit the reduction in the scope of a project
13 listed in Part IV of this Act, the chief justice may authorize
14 such reduction of project scope.

15 SECTION 14. The chief justice shall determine when and the
16 manner in which the authorized capital improvement projects
17 shall be initiated. The chief justice shall notify the governor
18 from time to time of the specific amounts required for the
19 projects, and the governor shall provide for those amounts
20 through the issuance of bonds authorized in Part V of this Act.

1 SECTION 15. Any law or any provision of this Act to the
2 contrary notwithstanding, the chief justice may supplement funds
3 for any cost element of a capital improvement project authorized
4 under this Act by transferring such sums as may be needed from
5 the funds appropriated for other cost elements of the same
6 project by this Act or by any other prior or future Act that has
7 not lapsed; provided that the total expenditure of funds for all
8 cost elements of the project shall not exceed the total
9 appropriation for that project.

10 PART VII. MISCELLANEOUS PROVISIONS AND EFFECTIVE DATE

11 SECTION 16. If any portion of this Act or its application

17 fulfill the objective and intent of the appropriation to the
18 extent possible.

19 SECTION 17. If any manifest clerical, typographical, or
20 other mechanical error is found in this Act, the chief justice
21 may correct the error. All changes made pursuant to this
