# A BILL FOR AN ACT

RELATING TO LEAF BLOWERS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that noise pollution is a  
2 steadily increasing problem, particularly in densely populated  
3 areas of Hawaii. In dense areas with high rises, noise is  
4 trapped between buildings and reverberates to a greater degree  
5 because of the density and height of the buildings. With the  
6 COVID-19 pandemic causing more people to work from home in these  
7 highly dense areas, additional outside noise can affect their  
8 ability to do their work. In special improvement districts,  
9 like Waikiki, many of the residents are also retirees who are  
10 more likely to have their hearing affected from loud noises.

11           The legislature further finds that leaf blowers contribute  
12 an excessive and unusual amount of noise, which is not only  
13 severely annoying and distracting, but also has the potential to  
14 cause permanent hearing damage. The continuous use of leaf  
15 blowers at a high decibel level can be deafening to people  
16 within earshot. This is especially problematic during the

1 COVID-19 pandemic as more people are in their homes during the  
2 day when leaf blower activity usually occurs.

3 The purpose of this Act is to restrict the use of leaf  
4 blowers in the Waikiki special improvement district within a  
5 residential zone or near a residence to certain hours of a day,  
6 subject to certain exceptions.

7 SECTION 2. Section 342F-30.8, Hawaii Revised Statutes, is  
8 amended to read as follows:

9 "[~~§~~342F-30.8] **Leaf blowers; restrictions.** (a) In any  
10 urban land use district, as designated pursuant to  
11 section 205-2, it shall be unlawful for any person to operate a  
12 leaf blower within a residential zone or within one hundred feet  
13 of a residential zone in the State, except between the hours of  
14 8:00 a.m. and 6:00 p.m. on any day except Sunday or a state or  
15 federal holiday, and between the hours of 9:00 a.m. and  
16 6:00 p.m. on Sunday or any state or federal holiday.

17 (b) In the Waikiki special improvement district, it shall  
18 be unlawful for any person to operate a leaf blower within a  
19 residential zone or within one hundred feet of a residence  
20 except between the hours of 9:00 a.m. and 5:00 p.m. on any day  
21 except Sunday or a state or federal holiday, and between the

1 hours of 10:00 a.m. and 5:00 p.m. on Sunday or any state or  
2 federal holiday; provided that commercial and hotel operators  
3 shall be permitted to operate a leaf blower on their premises at  
4 least one hundred feet away from a residential zone or residence  
5 between the hours of 8:00 a.m. and 6:00 p.m. on any day except  
6 Sunday or a state or federal holiday, and between the hours of  
7 9:00 a.m. and 6:00 p.m. on Sunday or any state or federal  
8 holiday; provided further that any leaf blower used within the  
9 permitted times shall not emit more than eighty decibels of  
10 noise.

11 [~~b~~] (c) Violators shall be fined \$50 for the first  
12 violation, \$100 for the second violation, \$200 for the third  
13 violation, and \$500 for each subsequent violation.

14 [~~e~~] (d) Government entities, and agents acting on behalf  
15 of government entities, shall not be subject to this section.

16 [~~d~~] (e) Any county may adopt a rule or ordinance that  
17 places stricter limitations on the use of leaf blowers than are  
18 in this section. In case of a conflict between the requirements  
19 or limitations of this section and any county rule or ordinance  
20 regarding the use of leaf blowers, the more restrictive  
21 requirements shall apply.

1           [~~e~~] (f) For the purposes of this section:

2           "Leaf blower" means any machine used to blow leaves, dirt,  
3 or other debris off sidewalks, driveways, lawns, and other  
4 surfaces.

5           "State holiday" means any day established as a state  
6 holiday in section 8-1."

7           SECTION 3. Statutory material to be repealed is bracketed  
8 and stricken. New statutory material is underscored.

9           SECTION 4. This Act shall take effect on January 1, 2050.
