JUSTIFICATION SHEET

DEPARTMENT: Business, Economic Development, and Tourism

TITLE: A BILL FOR AN ACT RELATING TO THE LOW-INCOME HOUSING TAX CREDIT.

PURPOSE: To extend the sunset date of temporary amendments to the State Low-Income Housing Tax Credit (LIHTC) for an additional five years.

MEANS: Amend section 4 of Act 129, Session Laws of Hawaii (SLH) 2016.

JUSTIFICATION: Act 129, SLH 2016, amended the calculation of the State LIHTC by amending the applicable period over which the credit may be claimed from ten to five years. The Legislature postulated that this would increase the attractiveness of the State LIHTC, and would generate more equity to finance affordable rental housing development. Act 129 has a sunset date of December 31, 2021.

HHFDC has been administering the State LIHTC in accordance with Act 129 since its enactment. However, HHFDC has not been able to fully evaluate the efficacy of Act 129 due to the overall adjustment in LIHTC pricing from 2016 and the economic downturn. Therefore, an extension of the sunset date for another five-year period, to December 31, 2026, would be helpful to continue evaluation of Act 129's benefits.
