SENATE CONCURRENT RESOLUTION

URGING THE COUNTIES TO EXPAND KULEANA PROPERTY TAX RELIEF TO
FAMILY MEMBERS THAT HAVE CONTINUOUS OWNERSHIP OF ANCESTRAL
LANDS.

1 WHEREAS, the health and the well-being of native Hawaiians
2 are intrinsically tied to the aina (land) and the "value" placed
3 on these lands is immeasurable, representing a lasting
4 relationship between native Hawaiians, their ancestors, and
5 their people; and
6

7 WHEREAS, over the generations, native Hawaiian families
8 have continued to malama aina (care for the land) and are
9 determined to persevere, develop, and transmit to the future
10 generations, their ancestral lands, so that their descendants
11 can carry on the legacy; and
12

13 WHEREAS, following the Mahele of 1848, several thousand
14 native tenants, or makaainana (common people), pursuant to the
15 Kuleana Act of 1850, filed for and were granted title to lands
16 they occupied and improved. Although these lands were, by law,
17 "subject to the rights of native tenants" there were, initially,
18 no formal protections in place to guard these rights and nothing
19 to stop the konohiki (chiefs) or the government from selling
20 lands occupied by makaainana; and
21

22 WHEREAS, in response to the concerns over the rights of
23 native tenants, the Kuleana Act of August 6, 1850, and the
24 amendment of July 11, 1851, authorized the Kingdom of Hawaii to
25 confirm several resolutions of the Monarch and Privy Council
26 that granted to the makaainana grant fee-simple title to all
27 native tenants for their cultivated lands and house lots, often
28 referred to as "kuleana lands"; and
29

30 WHEREAS, since 1855, many kuleana parcels have been lost
31 due to a myriad of reasons, including the lack of understanding
32 of the recently imposed foreign legal and judicial system,

1 introduction and expansion of large-scale ranching and
2 plantation operations, the decline of taro cultivation due to
3 the abandonment of large irrigation systems that had been
4 maintained by the community, the acquisition of parcels through
5 adverse possession or quiet title actions, and the seizing of
6 parcels as payments for debts and taxes; and
7

8 WHEREAS, today, very few native Hawaiian families live on
9 their ancestral kuleana lands; and
10

11 WHEREAS, the rapid escalation of land values in the recent
12 years have resulted in further disenfranchisement, foreclosure,
13 and emotional and financial struggles for native Hawaiian
14 families that are trying to keep kuleana lands in their
15 families; and
16

17 WHEREAS, the inability of native Hawaiian families to pay
18 for increasing property taxes as property taxes exponentially
19 increase ultimately contributes to the continual loss of these
20 historical and traditional family lands and possible
21 houselessness; and
22

23 WHEREAS, the City and County of Honolulu, County of Hawaii,
24 County of Kauai, and County of Maui have enacted ordinances
25 providing for a permanent reduction in the property tax rate for
26 current owners of kuleana lands who are lineal descendants of
27 the original owners. Applicants and landowners qualify for the
28 property tax reduction if they demonstrate that they are lineal
29 descendants of an original kuleana owner and that at least part
30 of the property they currently own is comprised of kuleana land
31 acquired by the original awardee; and
32

33 WHEREAS, these property tax exemptions have resulted in
34 qualified owners of kuleana lands paying a minimal property tax,
35 resulting in enhanced protection of these historic lands and tax
36 relief to the owners; and
37

38 WHEREAS, the fiscal impact of kuleana land property tax
39 exemptions on county revenues has been minimal as relatively few
40 parcels qualify for an exemption; now, therefore,
41

S.C.R. NO. 57

2 Legislature of the State of Hawaii, Regular Session of 2021, the

4 cultural, and ancestral importance of kuleana lands to native
5 Hawaiian families is encouraged and the counties are urged to
6 expand kuleana property tax relief to families with continuous
7 ownership of kuleana lands; and

8
9 BE IT FURTHER RESOLVED that certified copies of this
10 Concurrent Resolution be transmitted to the Governor;
