JUSTIFICATION SHEET

DEPARTMENT: Health

TITLE: A BILL FOR AN ACT RELATING TO FUNDING FOR PARKING FOR DISABLED PERSONS.

PURPOSE: Establish an accessible parking special account within the disability and communication access board special fund. Increases the state vehicle registration fee by \$1, to be deposited into the accessible parking special account and require all costs associated with the statewide parking program for persons with disabilities to be appropriated from the accessible parking special account beginning July 1, 2022.

MEANS: Add new section to part III, chapter 291, Hawaii Revised Statutes (HRS); add new section to chapter 348F, HRS, and amend section 249-31, HRS.

JUSTIFICATION: The parking program for persons with disabilities benefits those who travel in private motor vehicles. The program is funded by an annual appropriation from the general fund. It is not legal to charge a fee for a disability parking permit in order to fund the program, but it is possible to utilize the motor vehicle registration fee as a funding mechanism since there is a nexus between vehicle use and parking. This will allow the Legislature to redirect the current general fund appropriation to other agencies and programs.

Impact on the public: Residents who pay the motor vehicle registration fee will incur a nominal increase in their fee.

Impact on the department and other agencies:

The bill requires the counties to collect the state motor vehicle registration fee and transmit it to the State. The bill directs the State to deposit \$1 for every motor vehicle registration into an accessible parking special account within the disability and communication access board special fund.

GENERAL FUND: None.

OTHER FUNDS: State highway fund.

DESIGNATION: HTH 520.
