
A BILL FOR AN ACT

RELATING TO THE HAWAIIAN LANGUAGE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Hawaiian
2 language is Hawai'i's indigenous and first language, as well as
3 the original language of Hawai'i's executive, judicial, and
4 legislative branches. During his reign, King Kamehameha III
5 famously declared, "He aupuni palapala ko'u", or "Mine is the
6 kingdom of education", in reference to the high literacy rate in
7 the Kingdom of Hawai'i. This level of literacy continued into
8 the 1900s, as 95.3 per cent of Native Hawaiians were literate,
9 according to the 1910 United States Census. However, due to a
10 myriad of political, economic, and social pressures, the
11 Hawaiian language was materially marginalized, leading to its
12 atrophy and eventual formal and practical exclusion from public
13 and civic spaces. However, due to the Hawaiian language
14 community's efforts and resilience, the existence of the
15 Hawaiian language has been maintained and its vitality restored
16 for future generations.

1 The legislature recognizes that Hawaiian language
2 practitioners generally employ two written orthographies, namely
3 unmarked language and marked language. The unmarked orthography
4 was the first writing system of Hawaiian language. The marked
5 orthography, which includes the ‘okina and kahakō, was created as
6 a means to help learners of Hawaiian language determine when to
7 elongate a vowel or where to insert a glottal stop. The intent
8 of this measure is not to claim the superiority of one version
9 of orthography over the other, or to invalidate communities with
10 an unbroken lineage of Hawaiian speakers who do not follow
11 contemporary Hawaiian writing or structures, as communities such
12 as these are vital to Native Hawaiian culture and the State on
13 the whole. Rather, the intent of this measure is to establish a
14 standard for the spelling and punctuation of Hawaiian names and
15 words when they appear in certain documents, letterheads, and
16 highway signage created by state and county agencies for the
17 purposes of consistency and uniformity.

18 Additionally, the intent of this Act is not to require that
19 legislative bills and other official documents be written in
20 Hawaiian as well as English; rather, if documents and
21 letterheads prepared by or for state or county agencies or

1 officials contain Hawaiian names and words, this Act only
2 requires that the Hawaiian names and words be written in a
3 consistent matter. This measure further clarifies that Hawaiian
4 spelling not in conformance with the standards established by
5 this measure will not invalidate an official document, nor will
6 it allow a cause of action to arise. Finally, this measure
7 intends that consistent spelling and punctuation of Hawaiian
8 names and words be used only for state highway signs and the
9 letterheads, symbols, emblems, and documents of certain
10 designated state officials created after January 1, 2022, or
11 when there is a need to reprint or revise existing state highway
12 signs or the letterheads, symbols, emblems, and documents of
13 certain designated state officials.

14 Accordingly, the purpose of this Act is to require:

- 15 (1) Official stationery and website of designated state
16 officials to include the Hawaiian translation of the
17 office's or department's name; and
- 18 (2) All letterhead, documents, symbols, and emblems of the
19 State and counties and state highway signs that
20 include Hawaiian names and words to include Hawaiian

1 names, words, spelling, and punctuation consistent
2 with certain references.

3 SECTION 2. Section 1-13, Hawaii Revised Statutes, is
4 amended to read as follows:

5 "**§1-13 Official languages.** English and Hawaiian are the
6 official languages of Hawaii. Whenever there is found to exist
7 any radical and irreconcilable difference between the English
8 and Hawaiian version of any of the laws of the State, the
9 English version shall be held binding. Hawaiian shall not be
10 required for public acts and transactions[-]; provided that if
11 Hawaiian names or words are included in those documents, the
12 names or words shall be consistent with Hawaiian spelling and
13 punctuation, including kahakō and 'okina, as determined under
14 section 1-13.5(b)."

15 SECTION 3. Section 1-13.5, Hawaii Revised Statutes, is
16 amended to read as follows:

17 "[~~+~~]**§1-13.5**[~~+~~] **Hawaiian language; spelling.** [~~Macrons and~~
18 ~~glottal stops may be used in the spelling of words or terms in~~

6 which they relate; provided that any revision to conform any
7 document, letterhead, or state highway sign existing on or
8 before January 1, 2022, to the requirements of this section may
9 be implemented when the document, letterhead, or state highway
10 sign requires replacement or reprinting or otherwise requires
11 revision. Any rule, order, policy, or other act, official or
12 otherwise, that prohibits or discourages the use of [~~these~~
13 ~~symbols~~] consistent Hawaiian names and words, as required by
14 this section, shall be void.

15 (b) For the purposes of consistency, Hawaiian names and
16 words shall be printed in conformance with:

6 Hawai'i Press, copyright 1974.

7 (c) Any Hawaiian names and words that are spelled or
8 punctuated inconsistently with subsection (b) within a document
9 or letterhead subject to this section shall not be deemed to
10 invalidate the document or render it unenforceable. No cause of
11 action shall arise against the State, any county, or any state
12 or county agency, official, or employee for any Hawaiian names
13 and words that are spelled or punctuated inconsistently with
14 subsection (b)."

15 SECTION 4. Section 5-6.5, Hawaii Revised Statutes, is
16 amended to read as follows:

17 "~~{}~~**S5-6.5**~~{}~~ **State language.** (a) The Hawaiian language
18 is the native language of Hawaii and ~~[may]~~, effective January 1,
19 2022, shall be used on all emblems and symbols representative of
20 the State, its departments, agencies, and political
21 subdivisions~~[=]~~ and, notwithstanding any laws to the contrary,

1 state highway signs; provided that for emblems, symbols, and
2 state highway signs existing prior to January 1, 2022,
3 conformance with this section may be delayed until a replacement
4 for the emblem, symbol, or state highway sign is otherwise
5 required.

6 (b) The governor, lieutenant governor, state legislators,
7 and heads of the principal departments shall prominently display
8 a Hawaiian translation of the name of their respective office or
9 department at least once on the main page of their official
10 website and in the letterhead of their stationery. The
11 University of Hawai'i Ka Haka 'Ula o Ke'elikōlani or Kawaihuelani
12 Center for Hawaiian Language may consult with each office or
13 department prior to implementing the translation on the
14 appropriate use of the Hawaiian language and its spelling. The
15 University of Hawaii shall consult with native speakers to
16 determine the appropriate use of the Hawaiian language and its
17 spelling in translations.

18 (c) The Hawaiian language as used on all emblems, symbols,
19 and state highway signs shall conform to the requirements of
20 section 1-13.5(b).

1 (d) This section shall not be construed to require that
2 the full text of legislative bills and other official documents
3 be written in Hawaiian.

4 (e) For the purpose of this section, "native speakers" are
5 speakers of the Hawaiian language who come from an unbroken
6 lineage of primary speakers of the Hawaiian language."

7 SECTION 5. Statutory material to be repealed is bracketed
8 and stricken. New statutory material is underscored.

9 SECTION 6. This Act shall take effect on July 1, 2060.
