RE: HB1589 to be heard Tuesday February 5, in Room 325, at 2:05 PM

OPPOSE

To the members of the House Committee on Judiciary

We oppose opening up the constitution to deal with complex ideas surrounding the electoral process. We suggest instead a task force that includes all the political parties as well as citizen groups such as the League of Women Voters and Common Cause to look into various ideas to improve our system and report back to the legislature. Moving ahead in this way without a broader degree of input is undesirable.

This is UNconstutonal. As long as we have more than One Party. If we had only one party it would be a DICTATORSHIP. Think about were you are going with this!!!
