Comments:

The Daughters of the American Revolution are the decedents of those who created our great nation and the democracy we all enjoy. Just as we did in 1976 to celebrate the 200th anniversary of the United States of America, we fell it is incumbant upon us to celebrate our 250th anniversary and urge the state of Hawaii to create a Semiquincentennial commision to highlight the contributions our state has made to American history. I am most in favor of this bill. Susan Diane Hom, Honorary State Regent, National Society of the Daughters of the American Revolution.
